Through the years we have viewed Fair Park as a way of life. From the first day on campus, patterns are created and destroyed, friendships are born and ideas are conceived and disillusioned. Laughter rings in the halls and classrooms. Spirits of athletic events, contests and social life are high. These all help create wonderful memories of Fair Park.

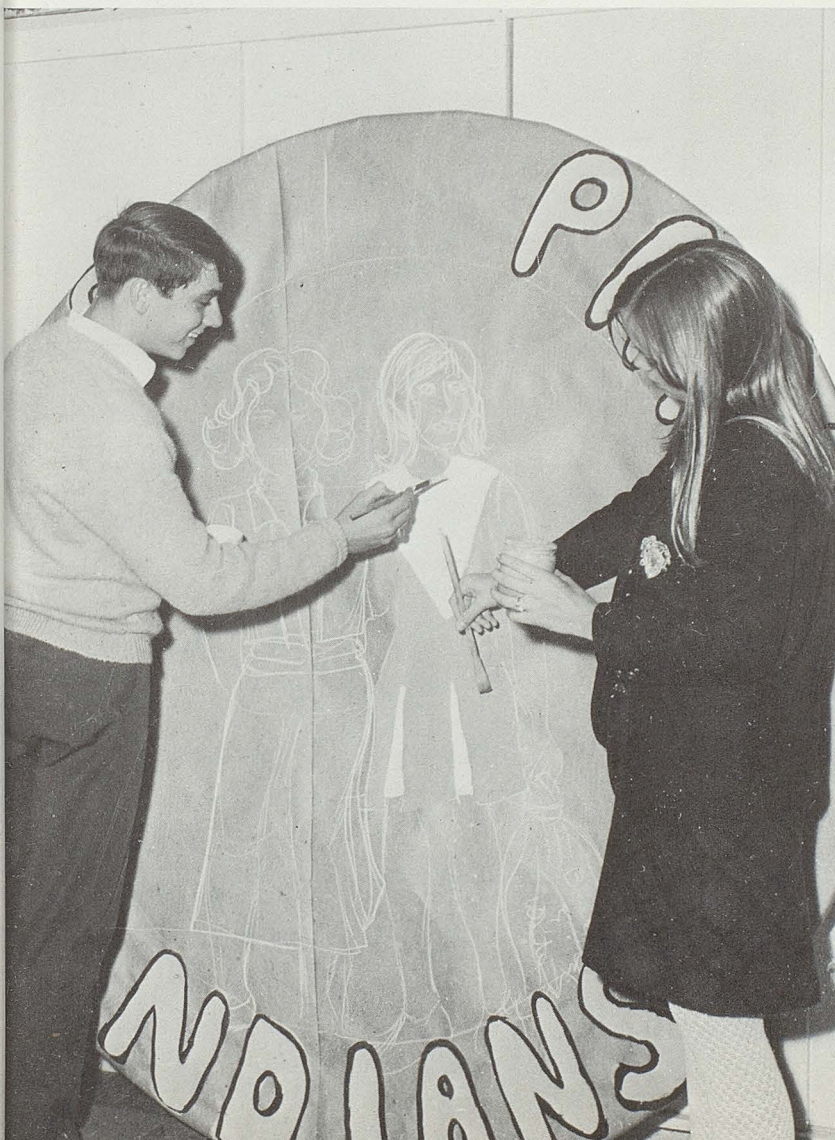

Fair Park High School is a way of life for many people, all working for the same goal—education. If enough strife is put forth, accomplished Fair Park students will attain higher goals in life. "They conquer who believe they can."

We give you the 1968 SEQUOYAH and hope you find your place in the Mosaic of Fair Park High School.

Educational Life . . .

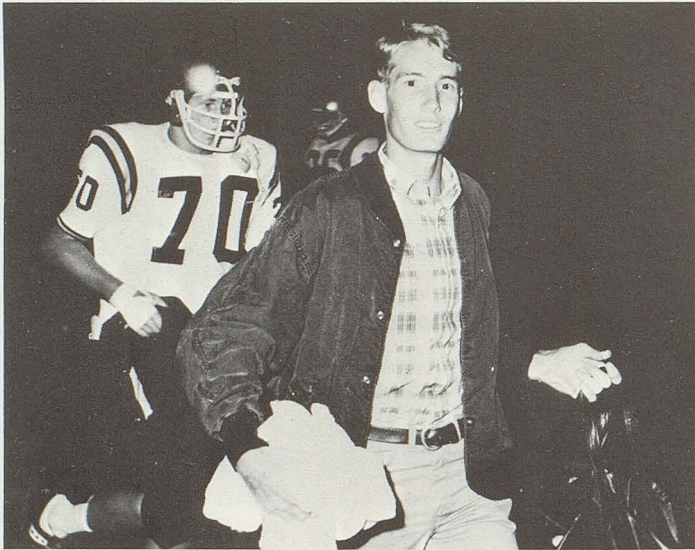

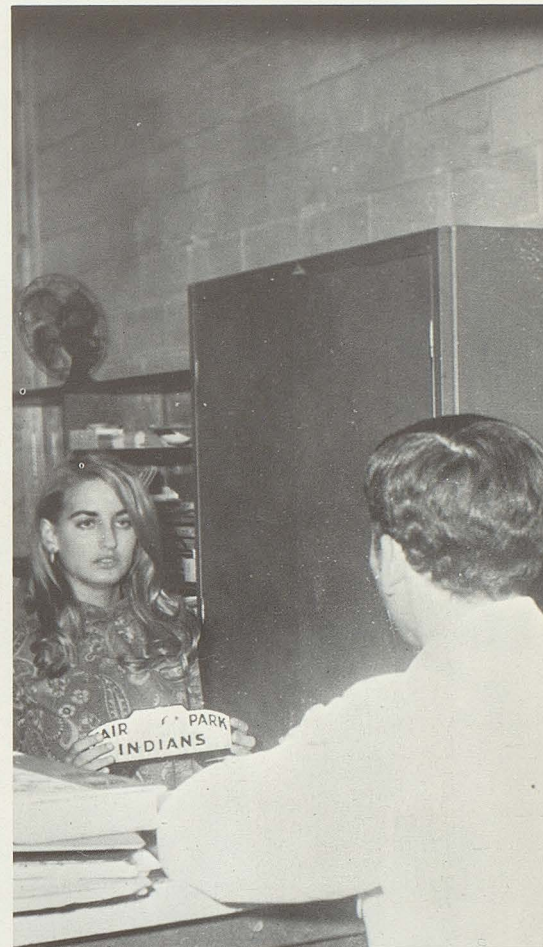

The goal of every student at Fair Park should be the development of his brain into a working integral part of his mind and body relationship. Education is the instrument utilized to accomplish such a result. Students need a thorough, broad education to understand the great issues challenging the minds of men and to communicate their ideas effectively. Discipline is also needed for maximum effectiveness. Learning comes through comprehending in the classroom, listening to lectures, and creating and discovering by doing. These enable students to develop skills and to quicken their intellect and abilities.

Service

The more one gives of himself the more content he will be. For selfishness is at the heart of much of the unhappiness and unrest that exists today. Psychologists have confirmed the teachings of Christ that true happiness can be found only by an individual losing himself in service to others. Many organizations exist for the purpose of teaching students to serve others. Anyone who is willing can enrich his life by taking advantage of these opportunities to serve.

Physical Life

The physical education requirements in high school are most often thought to be relatively unimportant, but they are essential for a balanced education. Not only is physical development an individual area of growth, it also plays an active role in the realization of maximum growth in other phases of life. An erect, vigorous body often serves as a mirror reflecting an alert, receptive mind and a general zest for life.

Social Life

Social life is more than going to parties and enjoying people around you. We must exceed the degree of social development and adapt ourselves to this new surrounding. The individual is intended to live with his fellow man. All must learn to contribute and cooperate in this new society. Social life is the discovery of one's self in relationship to others.

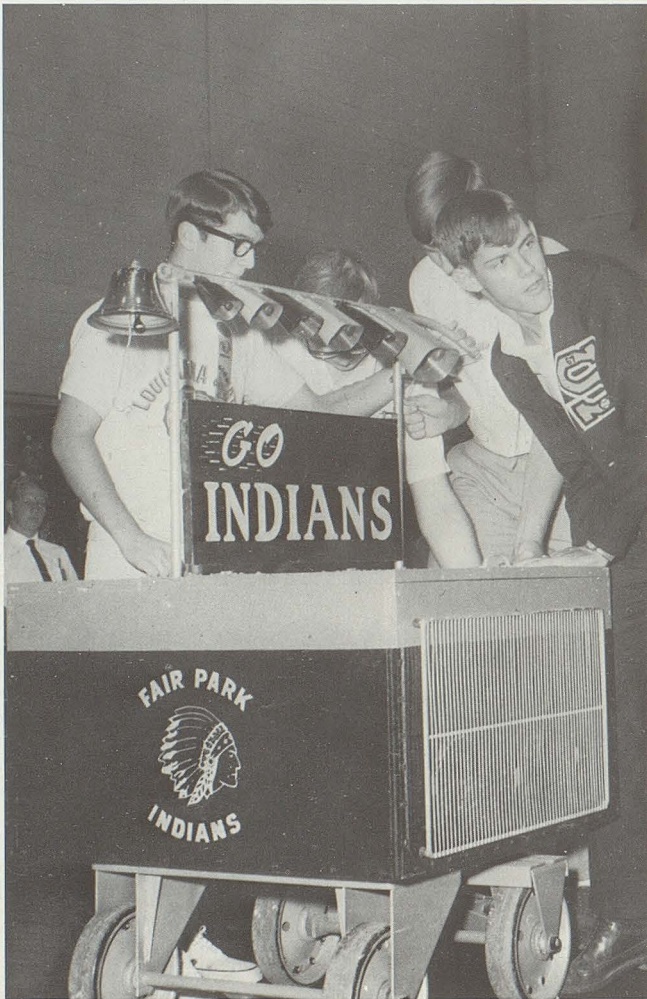

In Grateful Appreciation

The Senior Class of 1968 wishes to thank the faculty of Fair Park High School for all the knowledge and kindness it has shown in the past years. Not only have the teachers performed the difficult job of educating the students, but also they have given of their free time to help students with all types of problems. The seniors will leave Fair Park a little heavy-hearted, but they will be ready to face life and take their place in an adult world because of the unselfishness of their educators.

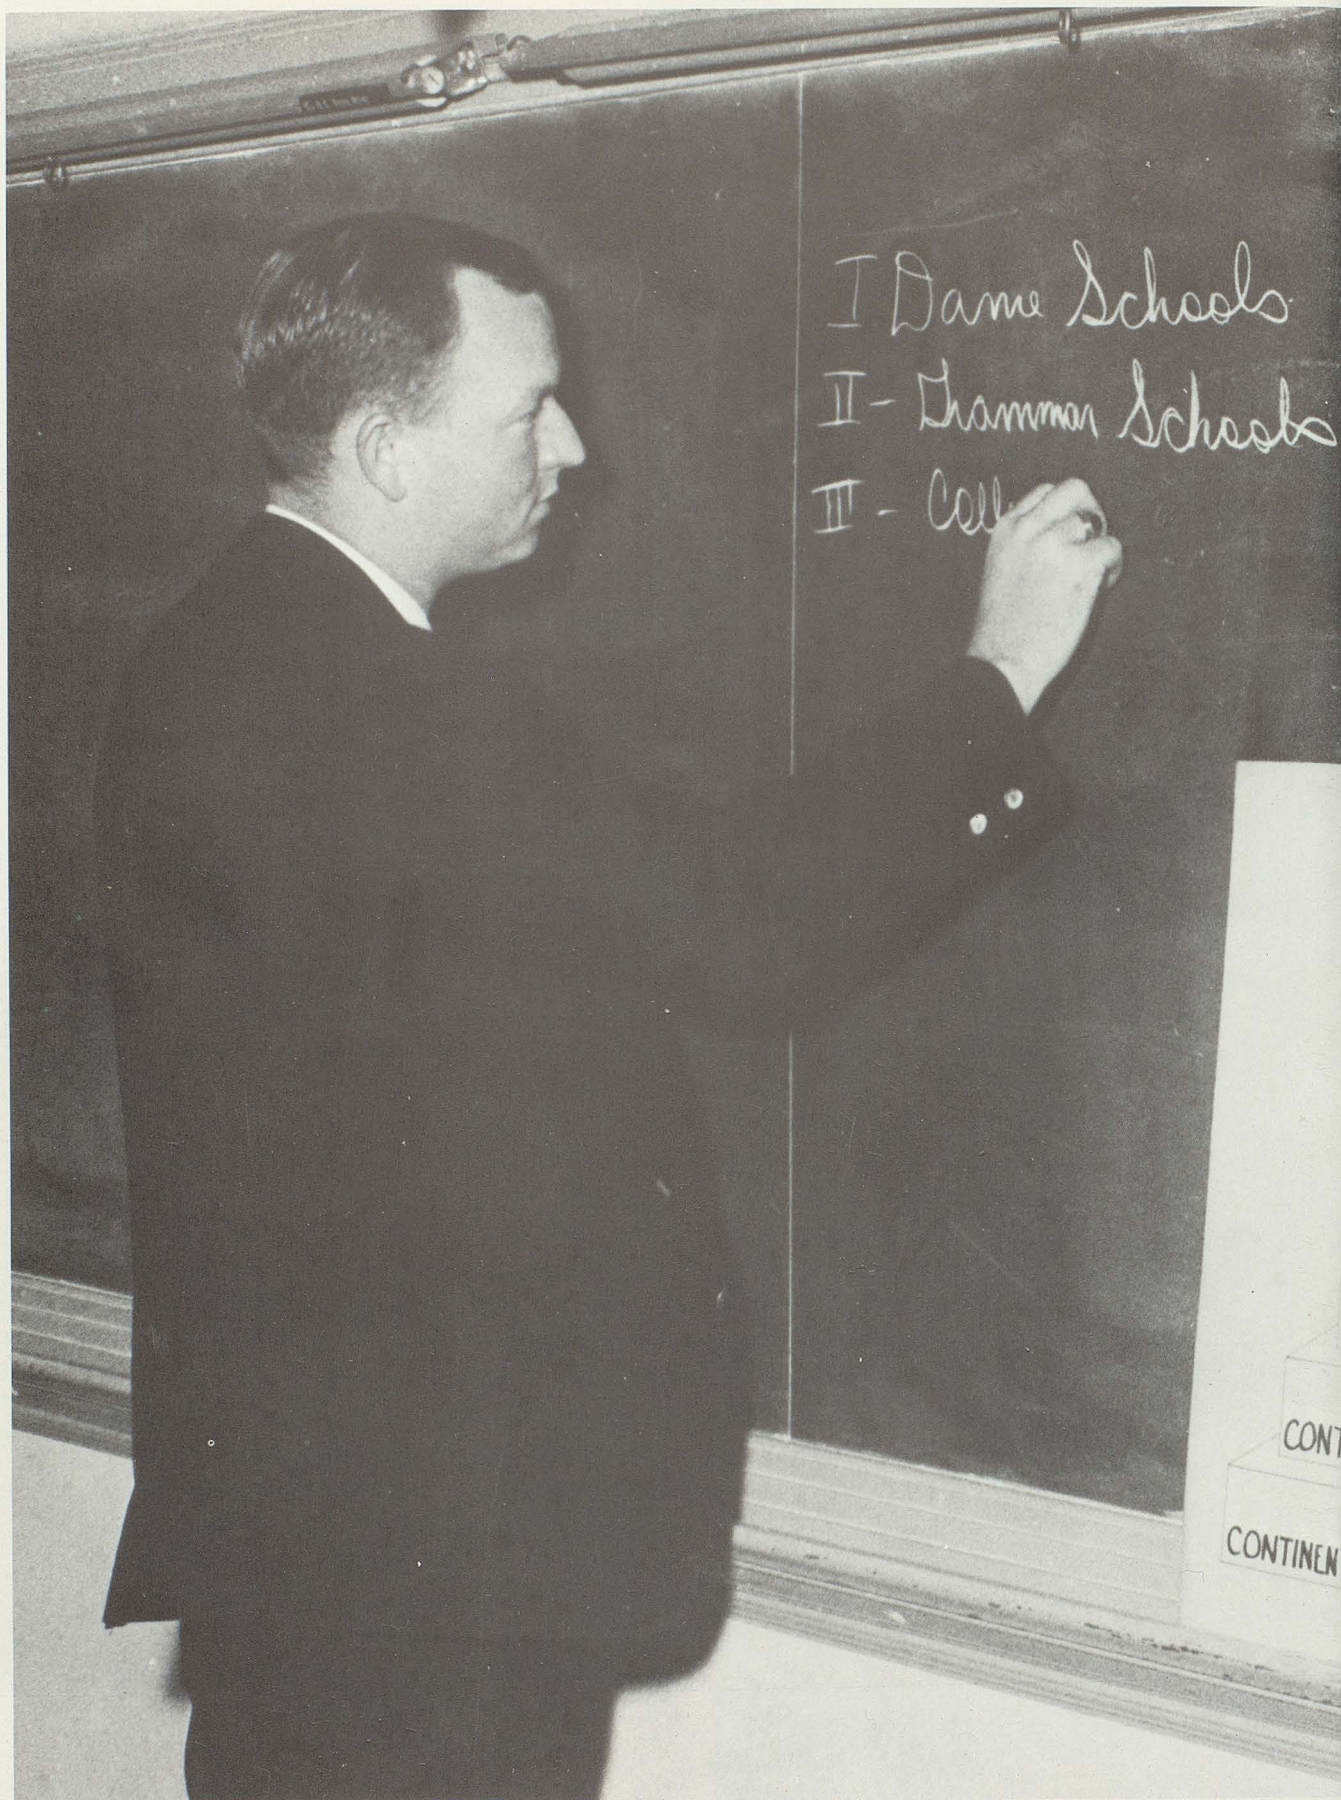

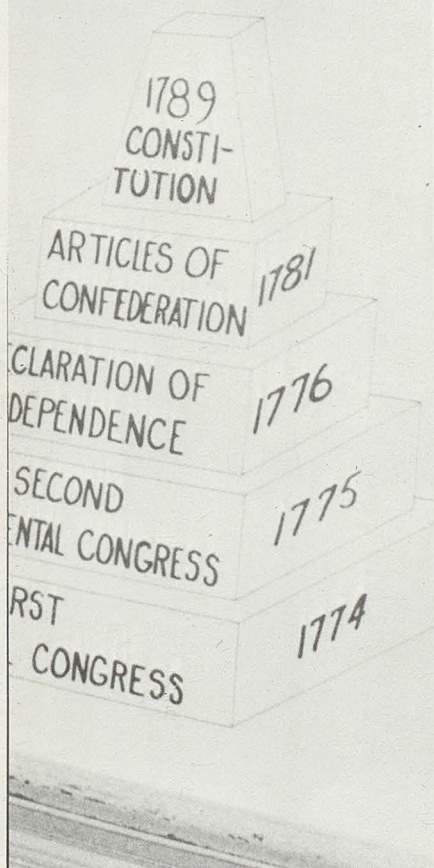

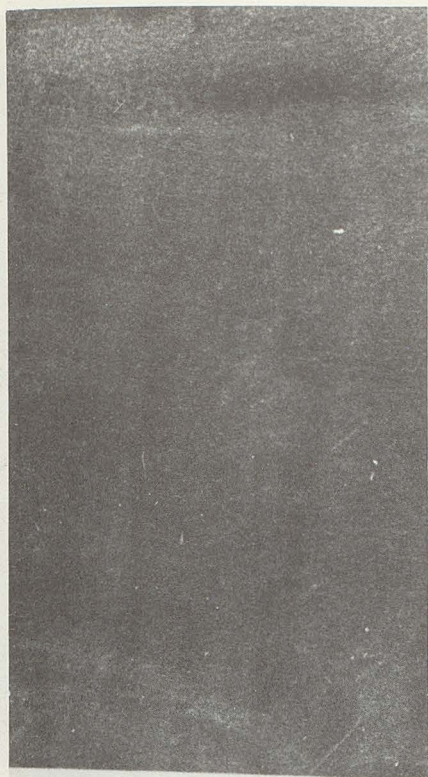

Spirit '68

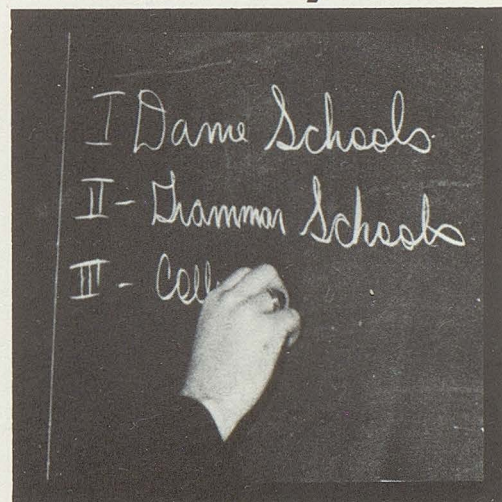

The spirit of Fair Park is vividly displayed at our pep rallies and games. But this spirit is not simply the urging of the football team to victory. It is much more. The student body is united in spirit as a result of the unity of purpose in all the phases of school life. Spirit is intense in attempts to pass tests, in Saturdays given in service to the school, in daily practices of the athletic teams, and in the conversation of the students themselves.

Faculty

B. H. Brantly

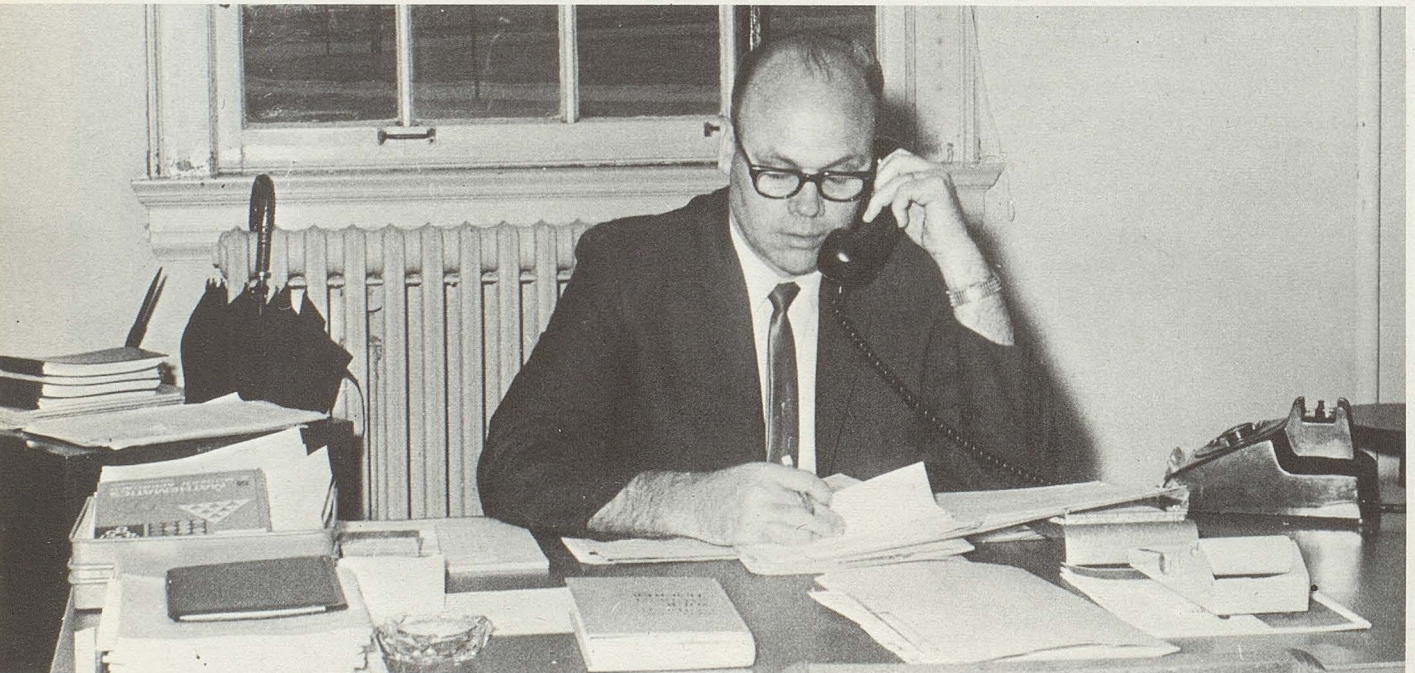

Resides as Principal

B. H. Brantly has had the leadership of Fair Park High School for three years now. His time and devotion have meant much to the welfare of the school, while his determination to preserve the high Fair Park standards and traditions has earned him the respect of the students.

Mr. Brantly earned the B.S.E. degree and the M.S.E. degree from Henderson State Teachers College. He has completed post-graduate work at Louisiana State University, University of Arkansas, and Louisiana Polytechnic Institute.

Mr. Brantly has a direct interest in each student due to the fact that his two daughters, Barbara and Joan, graduated from Fair Park.

To you, Mr. Brantly, we, the students of Fair Park, say thank you.

Henderson Completes 3rd Year as Assistant Principal

Mr. Henderson is now serving his third year as Assistant Principal. Previously the coach of Fair Park's basketball team, he works well with the students. The many duties of Mr. Henderson include providing student transportation to all out-of-town games, checking the attendance, and directing the administration and maintenance.

Outside of the office he enjoys being with his wife, Martha, and his son, "Clembo."

Murphy Remains as Assistant Principal

Mrs. Murphy is now serving her ninth year as Assistant Principal. Before attaining this position, she taught English at Fair Park. Mrs. Murphy holds degrees from Louisiana College and Stephen F. Austin State College. Working closely with the teachers in planning curriculum and with the students who are preparing for graduation consumes much of her time. She also observes many classes and supplies the needed textbooks and materials.

Besides these duties, she keeps in touch with her three sons, Jimmy, Tommy and Edgar.

Counselors

In need of guidance! Go to the Counselor's office. This particular office consists of three well-trained women to help each student in need of advice. Many students come to them each day to obtain information about college or results of standardized tests. The Counselors are always willing to help the students of Fair Park.

Left: Miss Banks and Mrs. Price check college catalogues for a career program. Top: Helping Seniors plan their schedule is one of Mrs. Miller's many duties.

Secretaries

Accuracy and promptness deal greatly with the office personnel. That is why it takes five secretaries to keep Fair Park in working order. Their efficiency and organization keep the school running on a smooth course everyday. Many of their duties consist of typing, filing, and a great deal of book work. Daily business in the office never really comes to a conclusion.

Mrs. Carroll is called on to assist students checking in and out each day.

Curriculum

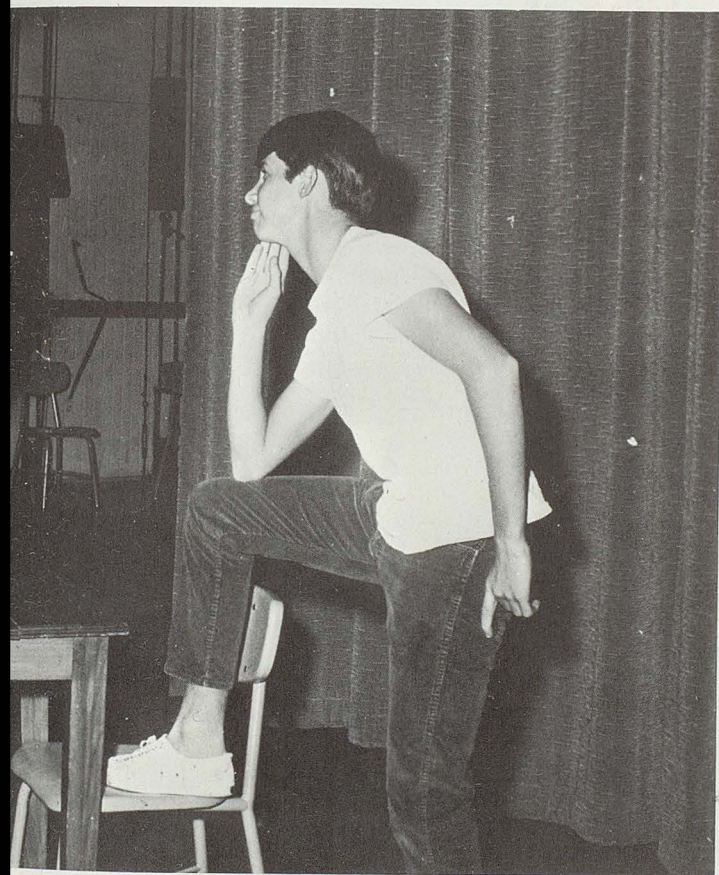

English Institutes Learning

English is a necessary course no matter what field you may want to pursue in life. The English instructors teaching in this vast field work with grammar, vocabulary, spelling, literature, and creative writing to give the student the best background possible.

Sophomores concentrate mainly on literature and developing their writing skills, while Juniors analyze poetry and prose, and study the basic fundamentals of grammar. The Seniors' objective is to study Hamlet, MacBeth, and other literary masterpieces.

English I, English II, and English III are the required courses in this field while Speech or Business English can be substituted for English IV. Four units in English are required for graduation.

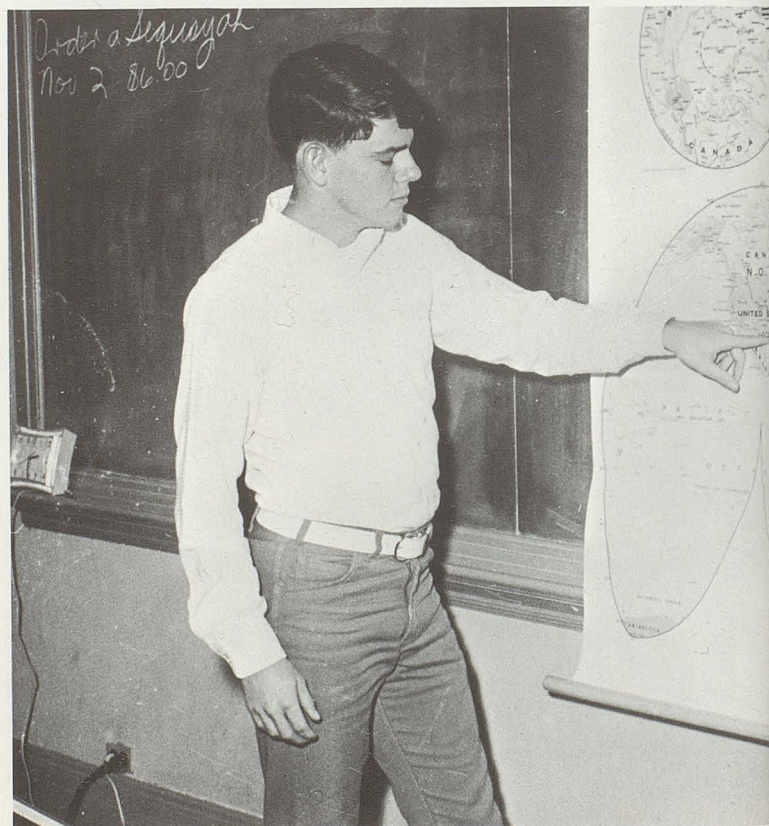

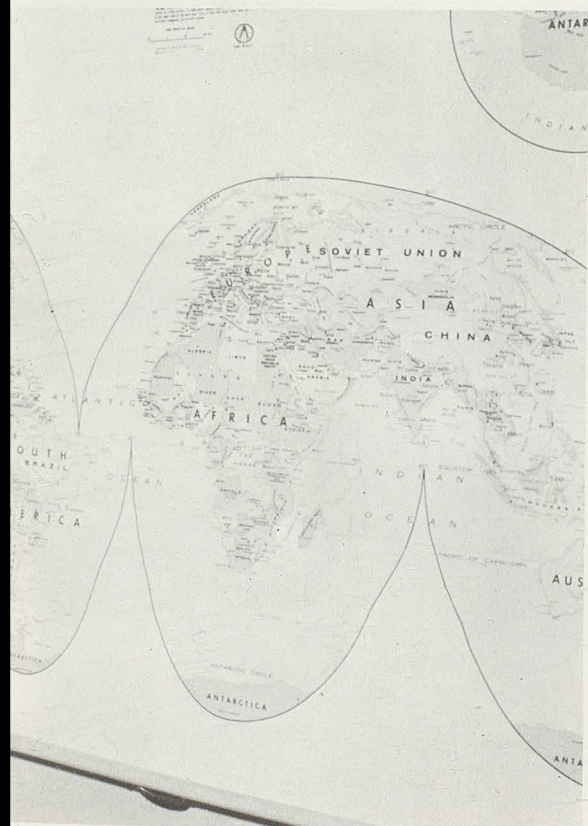

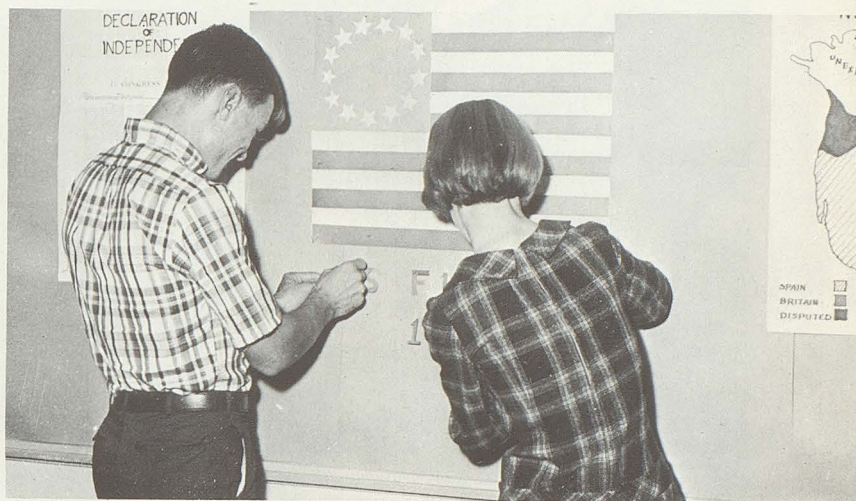

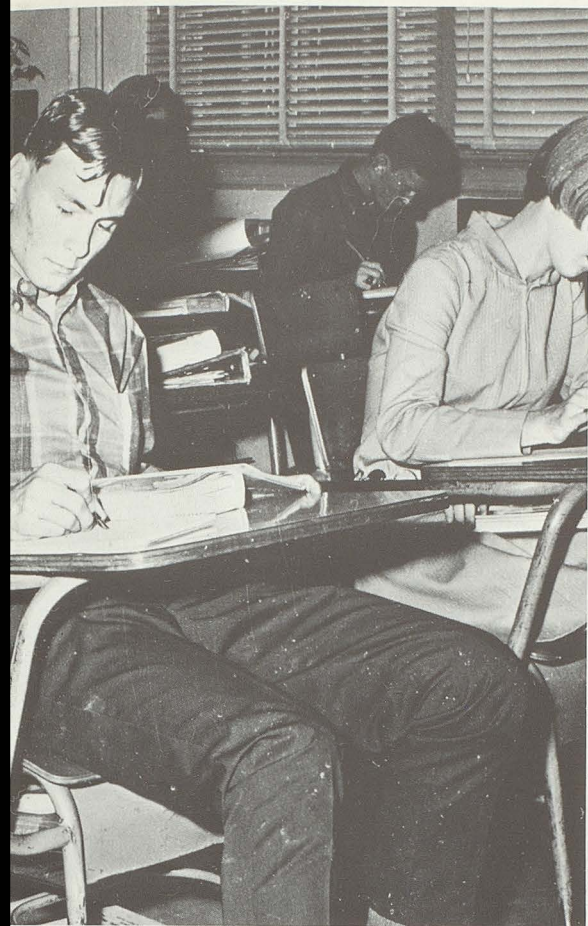

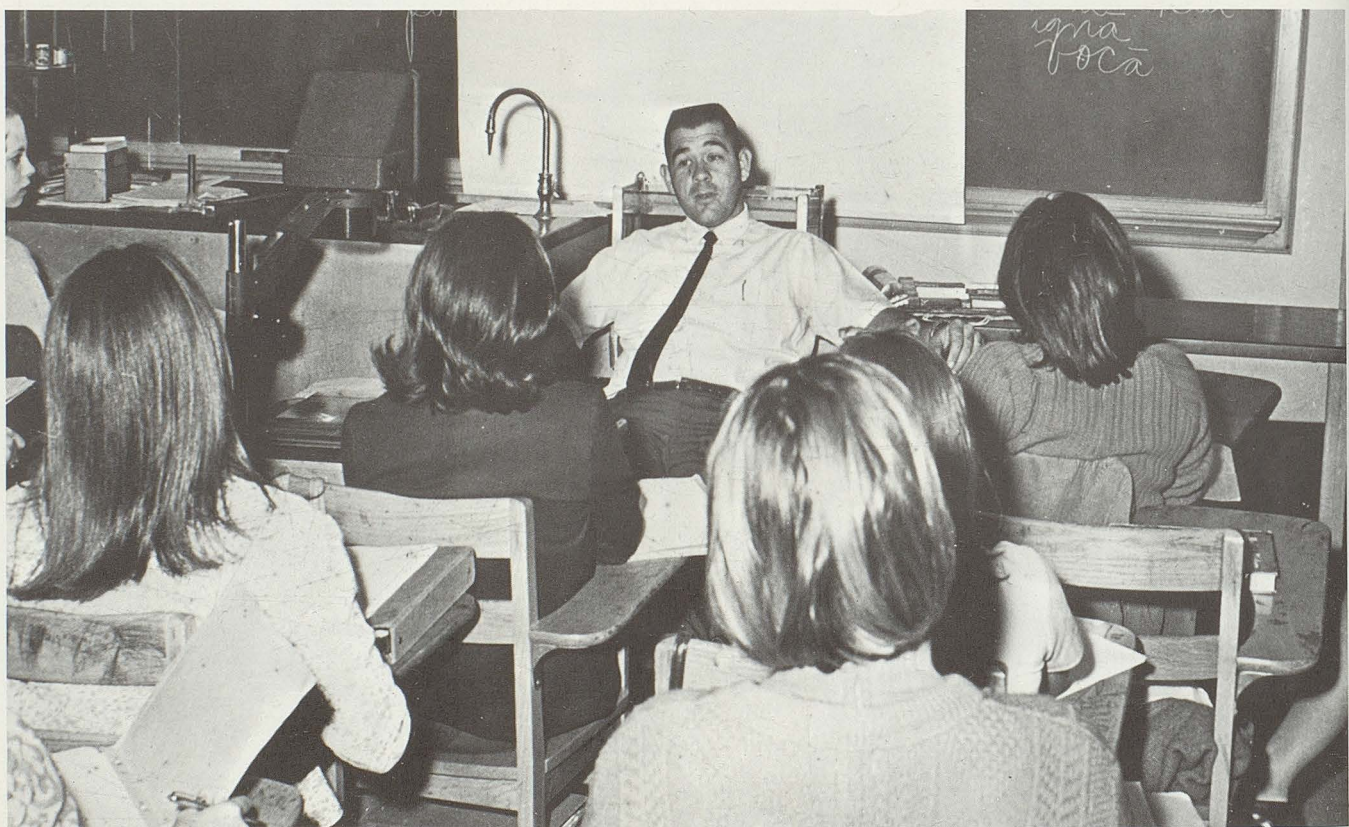

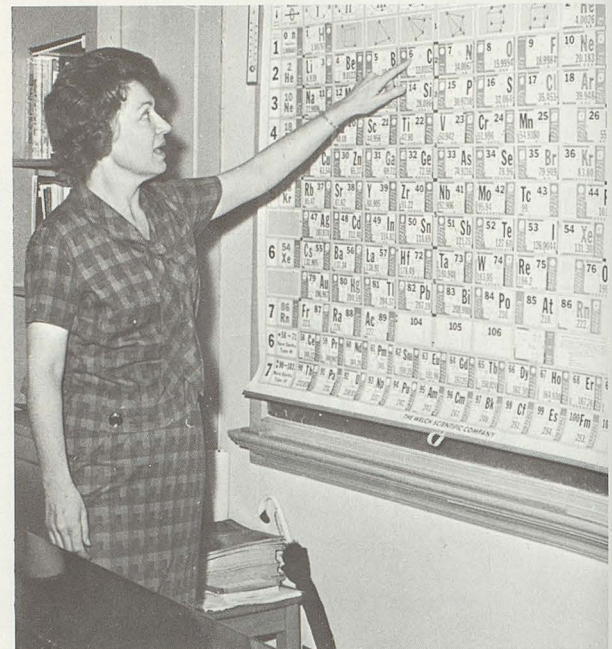

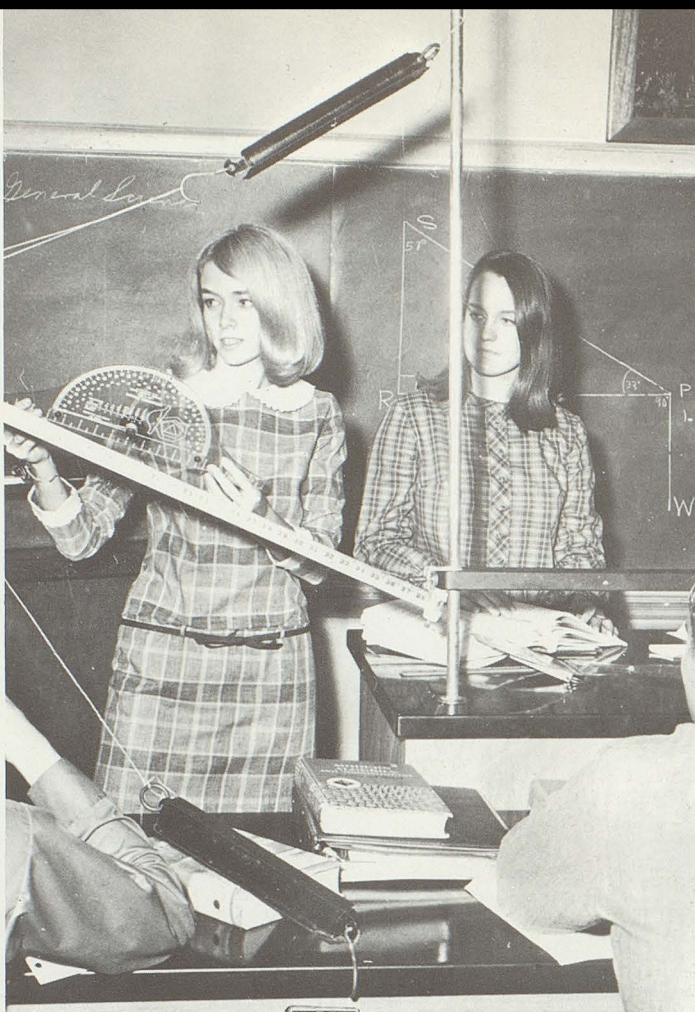

Social Studies Means Communication

Past generations and cultures are only a few topics that sum up any course dealing with Social Studies. Two years of Social Studies are required for graduation. The required courses are Civics and American History. Through these courses, students are taught American citizenship as well as politics, which give them a good foundation for voting and electing tomorrow's leaders. The electives offered to students include Geography, World History, and Economics.

In the classroom students listen to lectures, watch films, and have class discussions. These are only a few techniques used by the teachers of Social Studies.

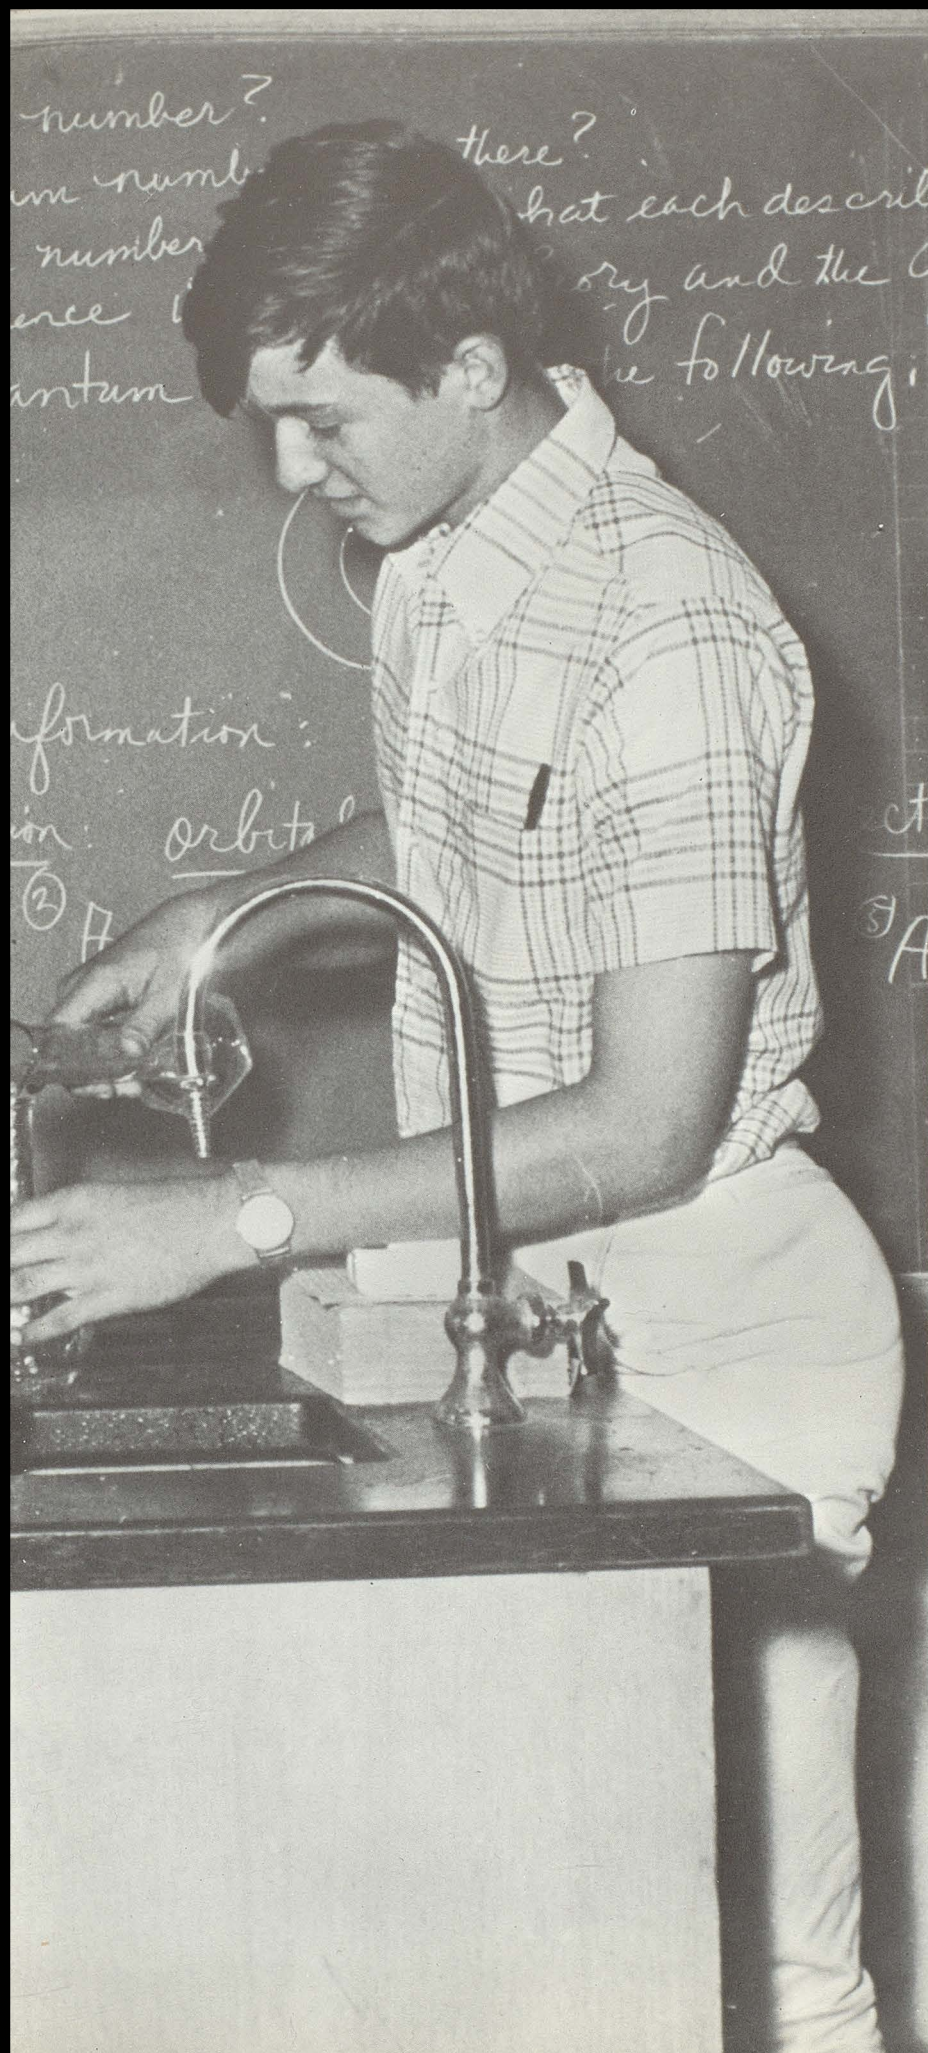

Science: A Challenge

Science is an important and useful course because it deals with everything in the world around us. A student completing the required two units of science graduates with a good background in this field.

Six teachers at Fair Park have dedicated themselves to broadening the students' knowledge of General Science, Biology, Chemistry, and Physics.

While General Science is a general study of everything pertaining to science, students taking Biology concentrate mainly on the study of plants, animals, and man. Physics and Chemistry teach students about the elements composing our world, their changes, and the reasons behind these changes.

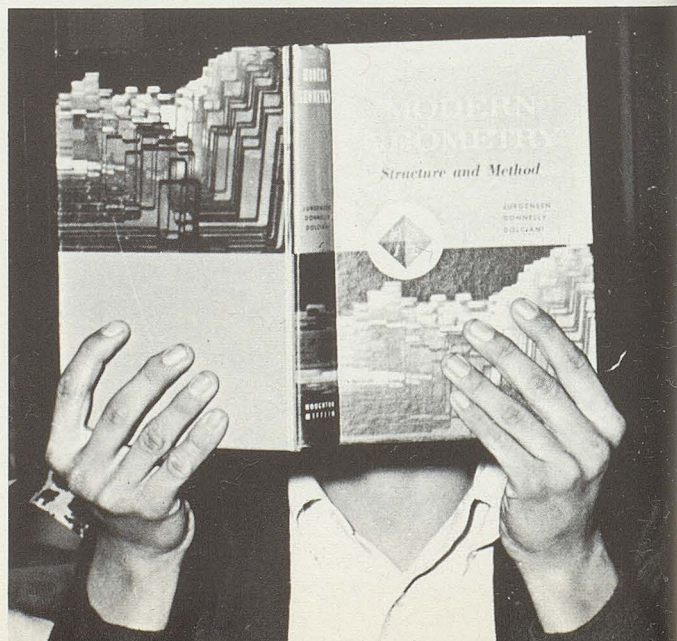

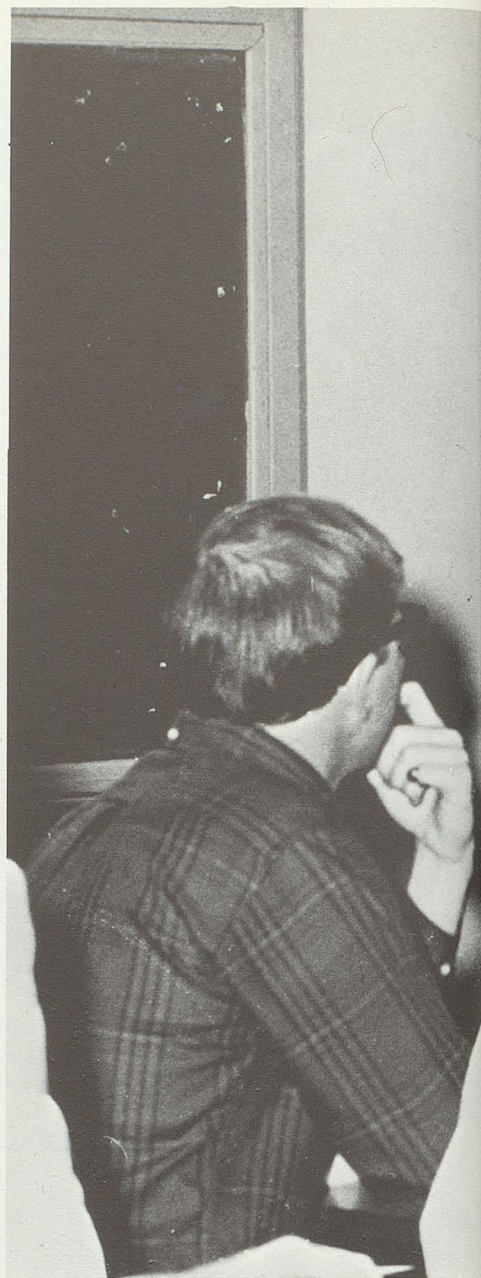

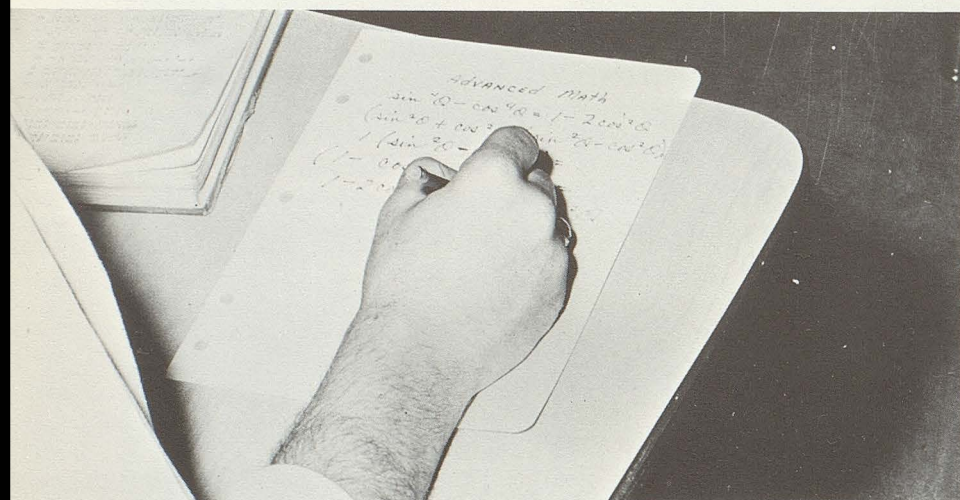

With the aid of films, charts, lectures, and individual reports, the objective of these six teachers becomes a reality.

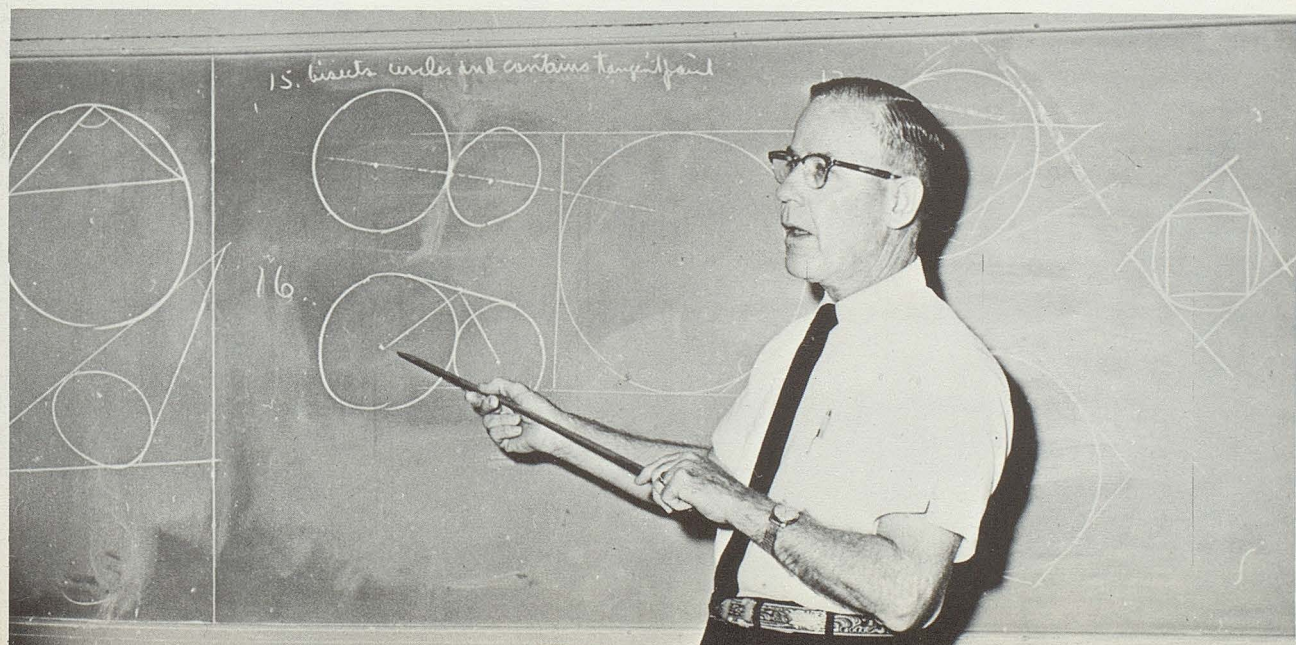

Math Symbolizes Knowledge

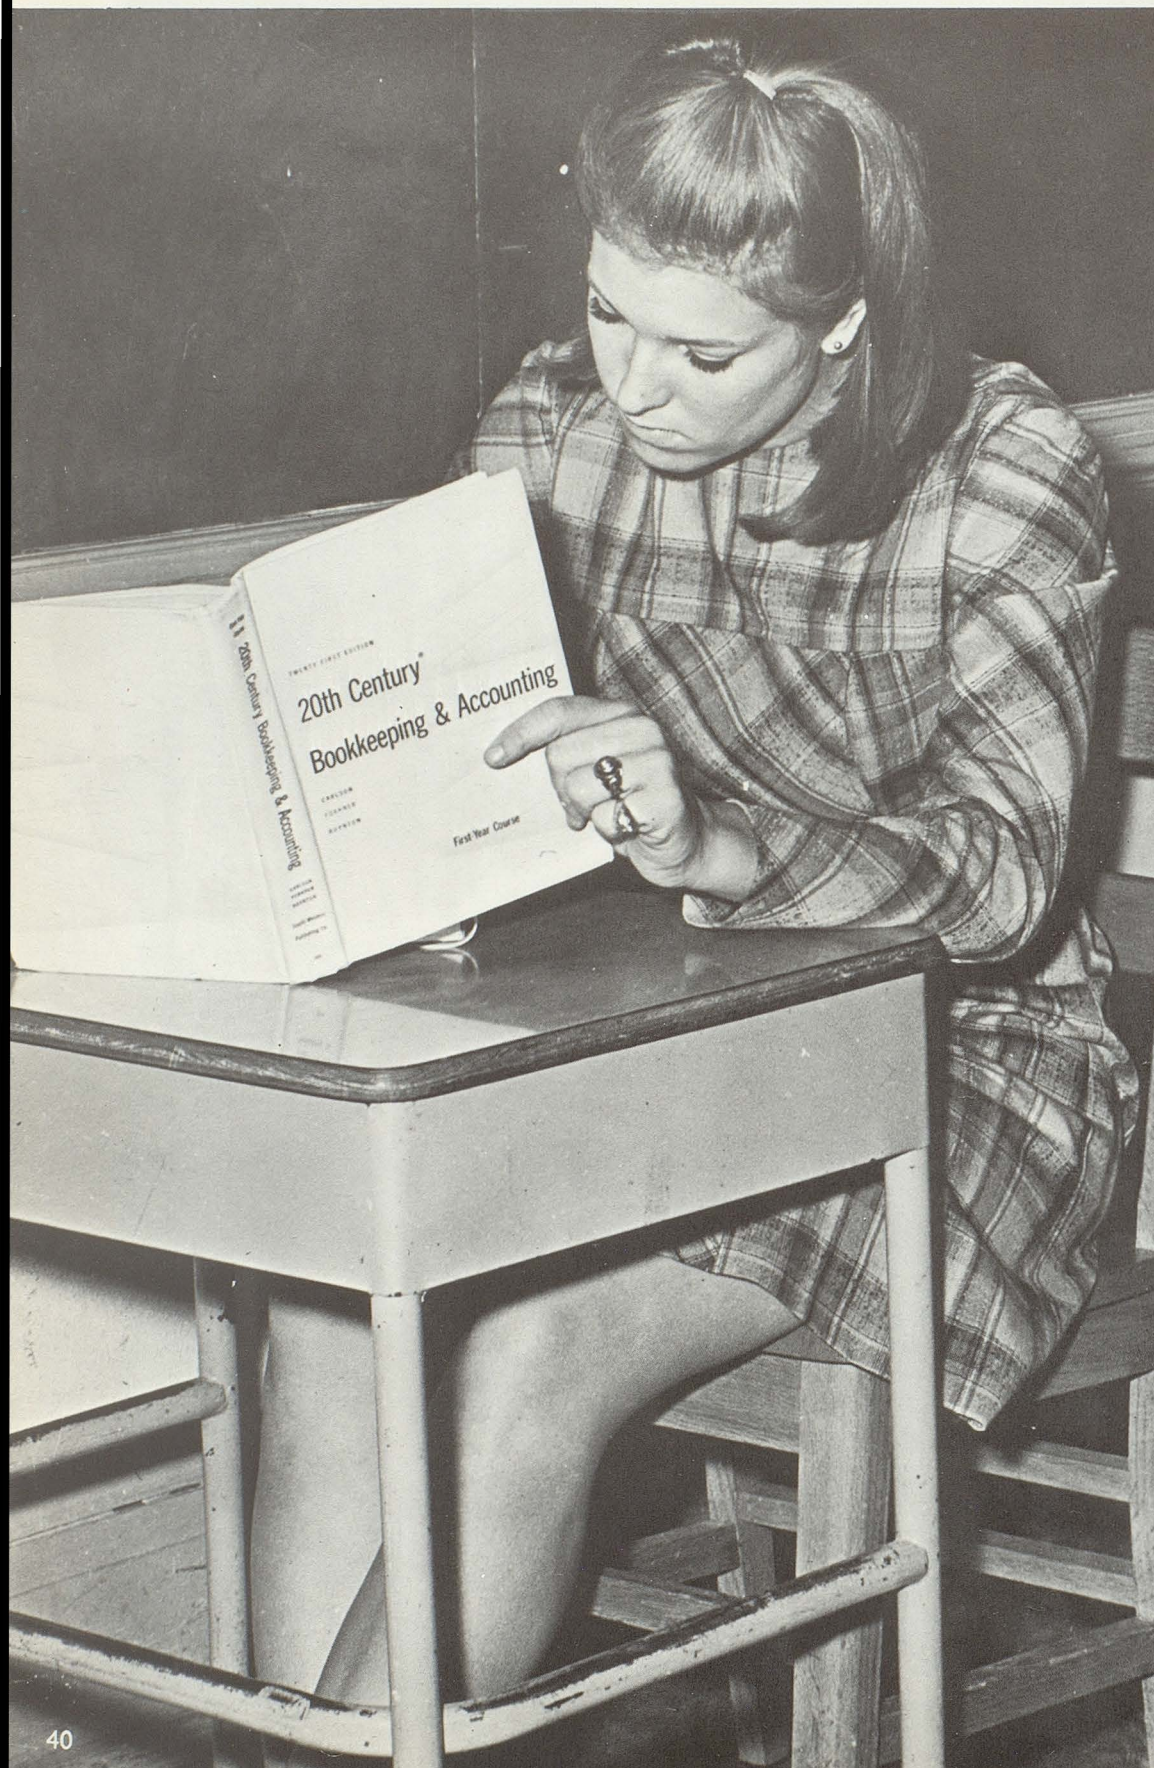

Math is an essential course for everyone because it develops your ability to reason. Only two units of math are required for graduation and these can be picked from a wide variety of subjects. General Math, Algebra I and II, Geometry, Business Math, and Advanced Math are the six courses open to the students of Fair Park, each having a certain objective.

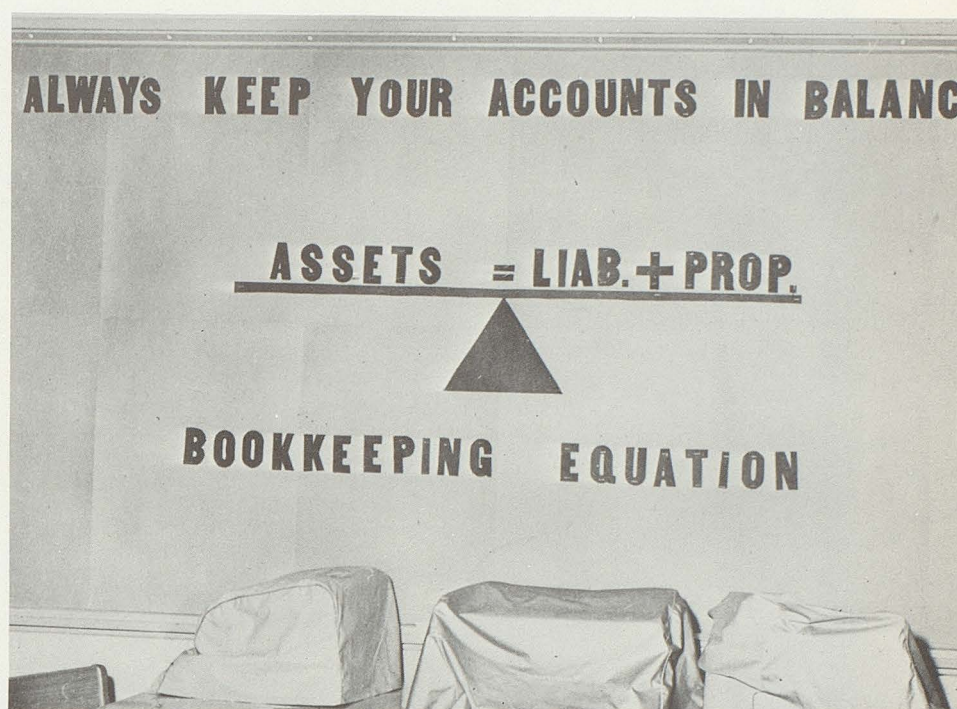

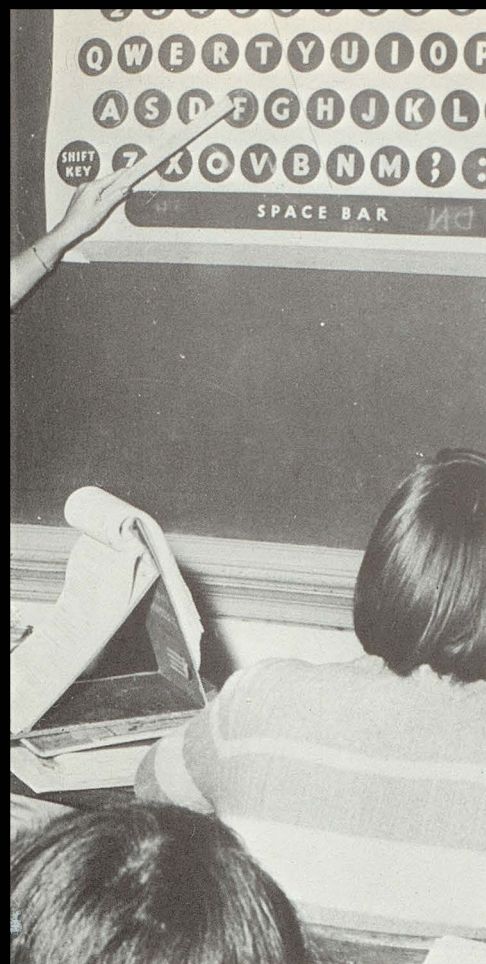

Algebra I and II, Geometry, and Advanced Math provide the fundamentals and background for higher mathematics, while General Math and Business Arithmetic give the students a general knowledge of math used in everyday life and in commercial jobs.

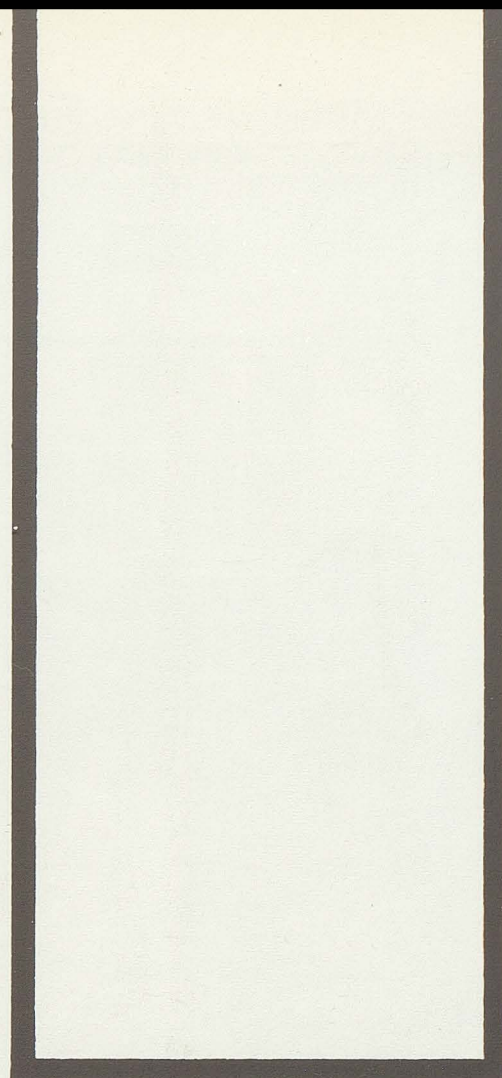

Business Deals With the World

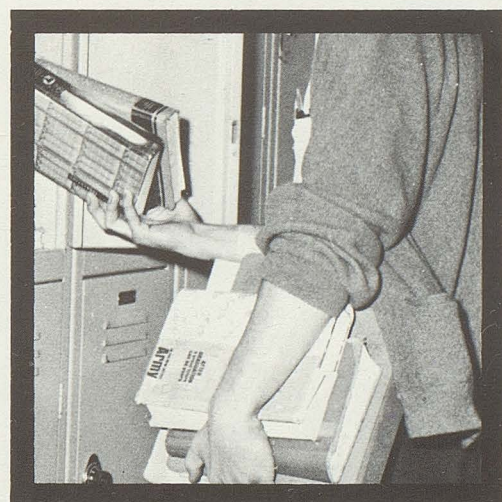

The Fair Park Department of Business is designed to help students get ready for the business world. Many different business courses are offered, consisting of: Typing, Shorthand, Bookkeeping, Office Practice, General Business, and Business English. When a graduate enters the field of business he will find that Typing and Shorthand come in quite handy. If the world of business does not appeal to students, typing can be a big help in typing term papers and further work in college.

Homecoming

1967

Reigning as queen over Fair Park's Seventh Annual Homecoming was senior Denise Hightower. Other members of the court were: Joy Lynn Dawes, princess; Jan Whittington, football sweetheart; Sarah Bilbray and Becky Jo Wallace, senior maids; Carol Barber and Teri Thomas, junior maids; Susan Burns and Glynda Hooper, sophomore maids.

Performing at halftime, while sufficiently demonstrating the theme of "Scholarship," were the band and pep squad. The court was presented escorted by teachers of Fair Park. The festivities were climaxed with the crowning of the queen.

Mardi Gras

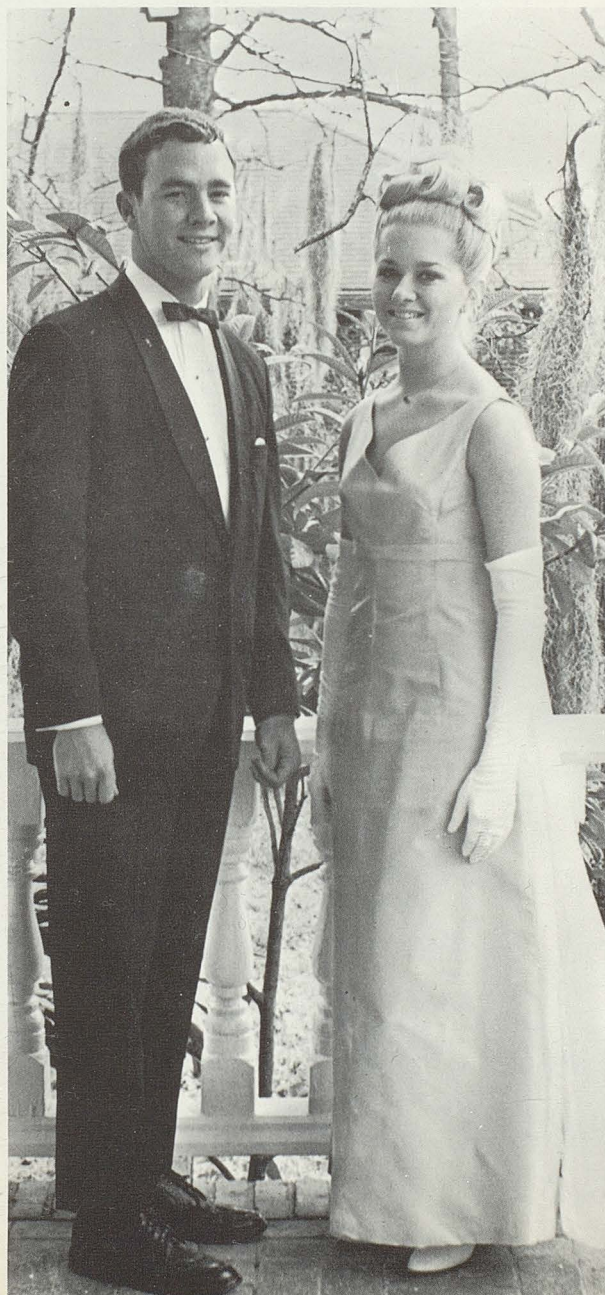

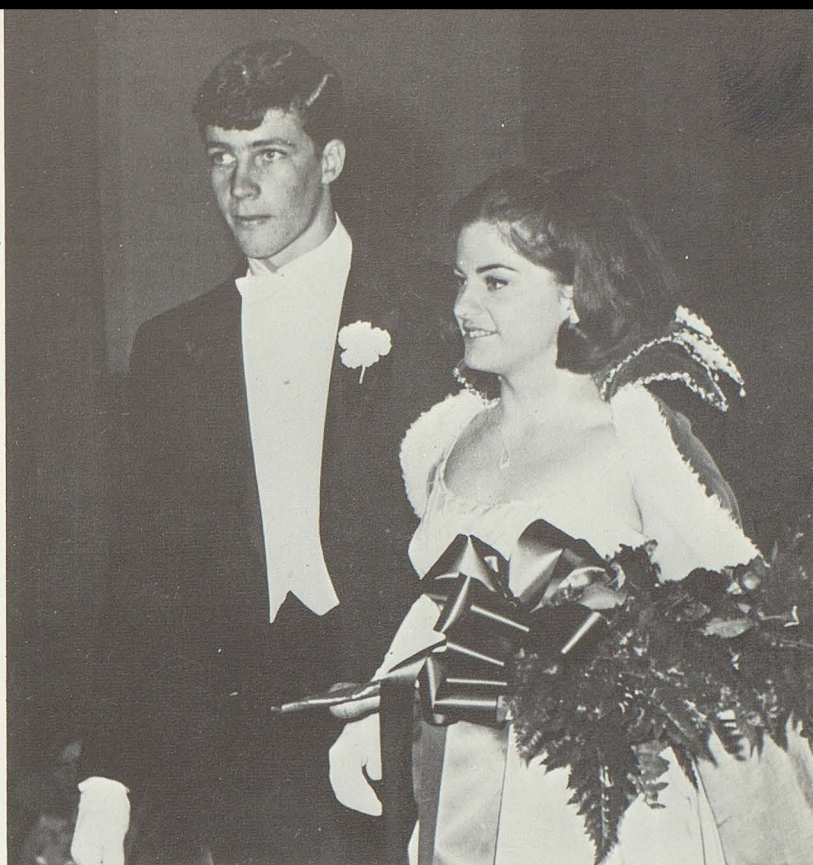

1968

King Steve McDonald and Queen Joy Lynn Dawes reigned over the annual Mardi Gras festivities.

The antebellum setting provided by the Art Department and the entertainment selections focusing on the southern states vividly depicted the theme of "Dixie." Gerald Burrow served as Master of Ceremonies and the Court Jester was portrayed by Becky Sanford. The Crown Bearer was Mike Smelley and the Train Bearers were Stephanie Gilbert and Jenny Ratcliff.

Following the coronation ceremonies was the Mardi Gras Ball featuring "Bill Wray and the Showband Royale."

The Arrowettes sponsored the event by selling tickets as a money-making project.

Pelican State

Pelican State is a state government set up by the senior high school youth of Louisiana. It is held at Louisiana State University during the first two weeks of August. This past summer fifteen Fair Park students attended Pelican State. During their stay they acquainted themselves with the duties, privileges, rights, and responsibilities of American citizenship. Each Pelican Stater has a chance to participate in the operation of a state, local, and parish government.

Organizations

Comprised of seventy-five representatives and six officers, the Student Council of Fair Park is an extremely important and equally as busy organization. Serving as the governing body of the school, the Student Council's aims are to develop and practice good citizenship and to promote good relations between the students and faculty.

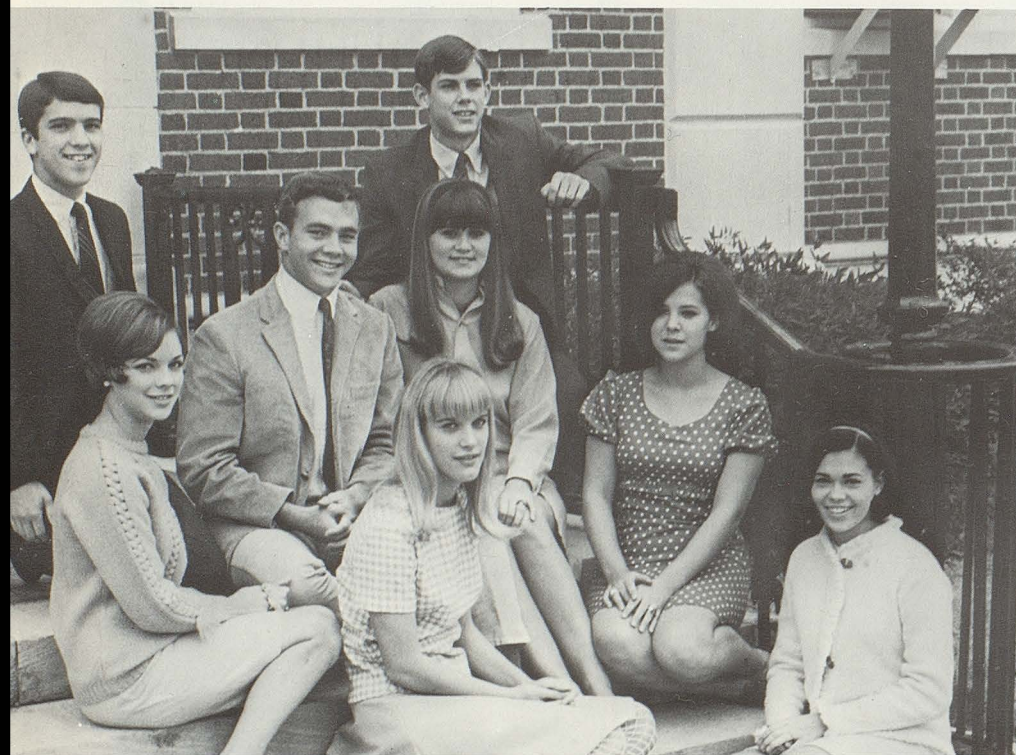

The representatives are elected by each homeroom and each class chooses its senators.

This year the Student Council took part in many worthwhile projects. Among these were supplying ushers for events at the Youth Center, sponsoring Homecoming, presenting 'Round the Reservation, and filling Christmas baskets for the needy.

OFFICERS: Ernie Roberson, Vice President; Joy Lynn Dawes, Treasurer; Doris Ann Turner, Secretary; Sue Nelson, Parliamentarian; Steve McDonald, President.

Red Cross

The Junior Red Cross of Fair Park is a service organization dedicated to serving others. Its main goals are working for the betterment of the school and community.

Sponsored by Miss Pat Fox, the members worked hard this year making, selling, and distributing student directories. The student directories which are an invaluable service to students contained the name, address, classification, and phone number of every student of Fair Park.

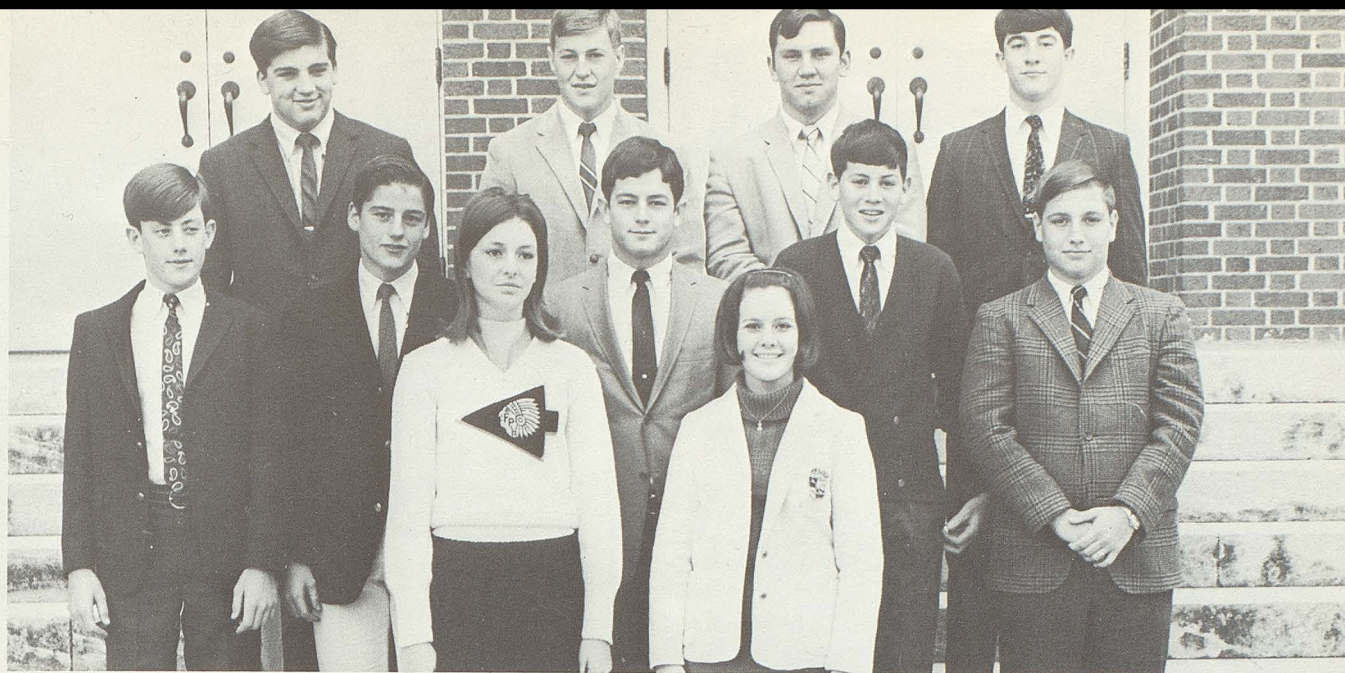

The Red Cross also cheered patients in the hospital by making tray favors at Christmas.

Safety Council

Bringing safety information to the student body and the regulation of traffic are the main objectives of the Fair Park Safety Council which is a chapter of the Louisiana State Youth Safety Councils.

The Safety Council establishes the parking regulations each year so that there will be no accidents at Fair Park and confusion will be eliminated.

"Safety Week" is the main highlight of the Safety Council. The whole week is devoted to safety emphasis which includes displays, bulletin boards, posters, pamphlets, and films.

Other activities of the Safety Council this year included selling sweatshirts, attending the Safety Convention in New Orleans, placing cookies in the teachers' lounge, selling parking stickers and Safety Council pens, and sponsoring a locker clean-up campaign.

The Sequoyah Editorial Staff

Mrs. Judy Reynolds, Sponsor.

Minette Godwin, Feature Editor.

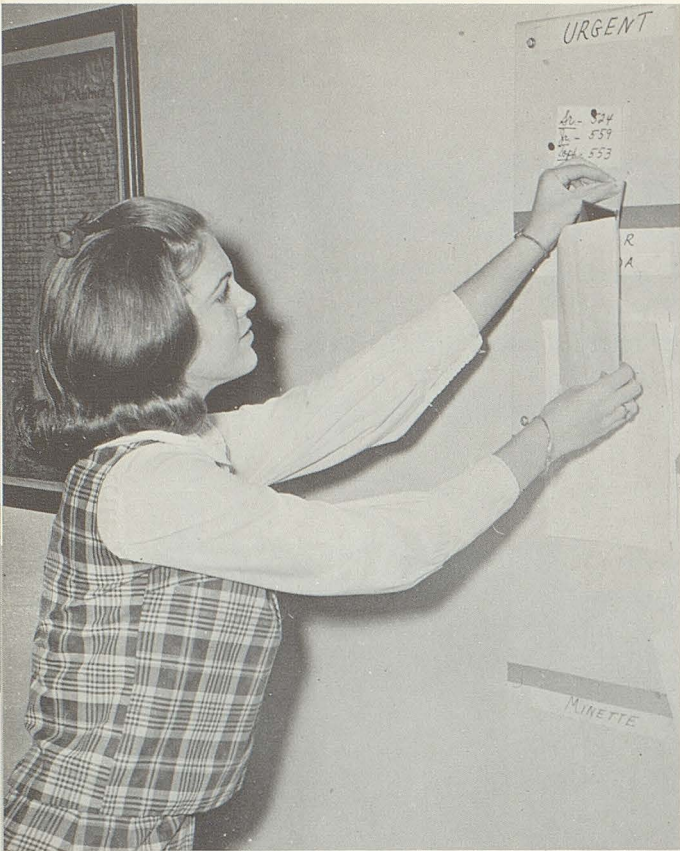

Work on the 1968 SEQUOYAH was begun by the members of the staff in the summer of last year and was continued throughout this school year.

Under the direction of Mrs. Judy Reynolds, the fourteen members of the SEQUOYAH Staff have worked very hard to bring to the school the best yearbook ever.

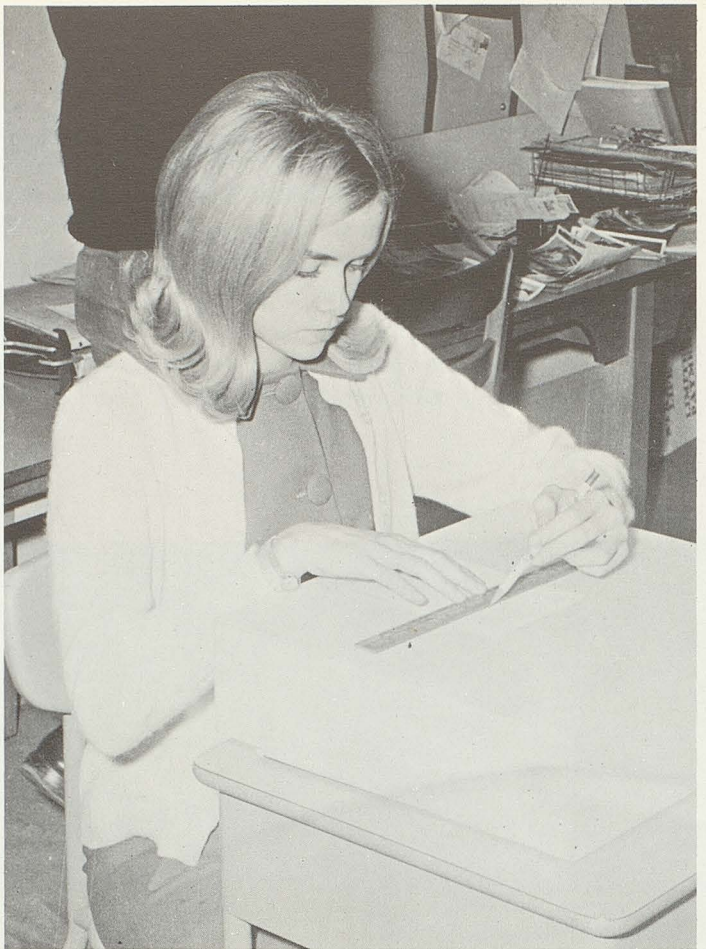

Many hours were spent in planning pages, writing copy, taking pictures, alphabetizing names, and cropping and stamping pictures.

We of the staff hope that we have succeeded in bringing to the student body a lasting record of all the happy memories of their school days at Fair Park.

The Sequoyah Ad Staff

Under the direction of Mrs. Norma Jean Brown, the girls on the SEQUOYAH Ad Staff endeavor to sell advertising space to different businesses in order to help finance the publication of the yearbook and to keep it at a reasonable price.

In August the members, who work as partners, began contacting their prospective buyers. Each member of the staff must meet her quota of sales which is \$100.

The members also must record the ad sales, type statements, verify ads, and total the sales.

Membership in this organization is by the recommendation of all teachers and by maintaining a "C" average.

Sequoyah Circulation Staff

Anne Owens reminds classes of SEQUOYAH sales.

Sandy Adams puts up posters in the hall.

Charlotte Justice makes a final check on sales.

The SEQUOYAH Circulation Staff consists of six honest and dependable girls each recommended by a teacher and each maintaining a "B" average. Their main responsibilities are the sale and distribution of the yearbooks. Their work begins in September and is continued through May.

These girls, under the direction of Mrs. Norma Jean Brown, are also responsible for the posters advertising SEQUOYAH sales.

Brenda Okes makes posters advertising SEQUOYAH sales.

Pow Wow Ad Staff

ABOVE: The Ad Staff continues to sell ads throughout the year.
LEFT: Co-Manager Debbie Walters and Manager Elaine Burton.

Members of the staff check ads and contracts.

Composed of junior and senior girls, the POW WOW Ad Staff is responsible for selling ads to finance the school paper. The girls also type and mail statements and secure money from the sales.

The girls work as partners and sell in the month of July. They not only perform a great service to the school, but also gain valuable experience in meeting the public.

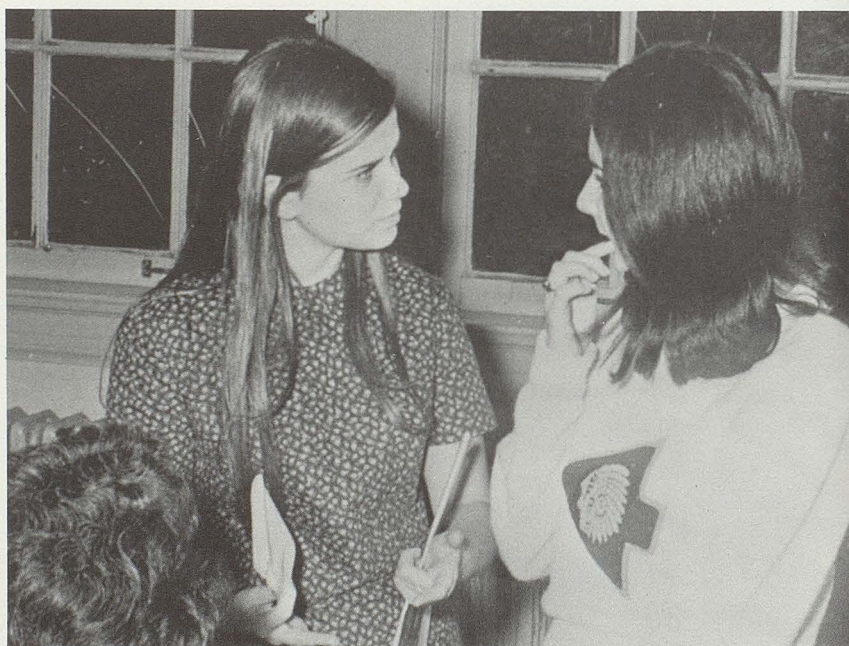

Under the direction of Miss Nancy Gephardt, the members must all maintain a "C" average and possess qualities of leadership, salesmanship, and character.

Science Club

All students possessing an interest in science may become members of Fair Park's Science Club. All members are required to attend the regular monthly meetings and maintain a "C" average.

This year, the club had many interesting guest speakers, saw films, and took various field trips to L.S.U. Shreveport and to the planetarium.

Under the direction of Mr. Cecil Winn, the Science Club provides an opportunity for students to develop their interest and knowledge of science.

OFFICERS: Kenny Anders, President; Joy Lynn Dawes, Vice President; Mariann McDonald, Secretary-Treasurer.

Latin Club

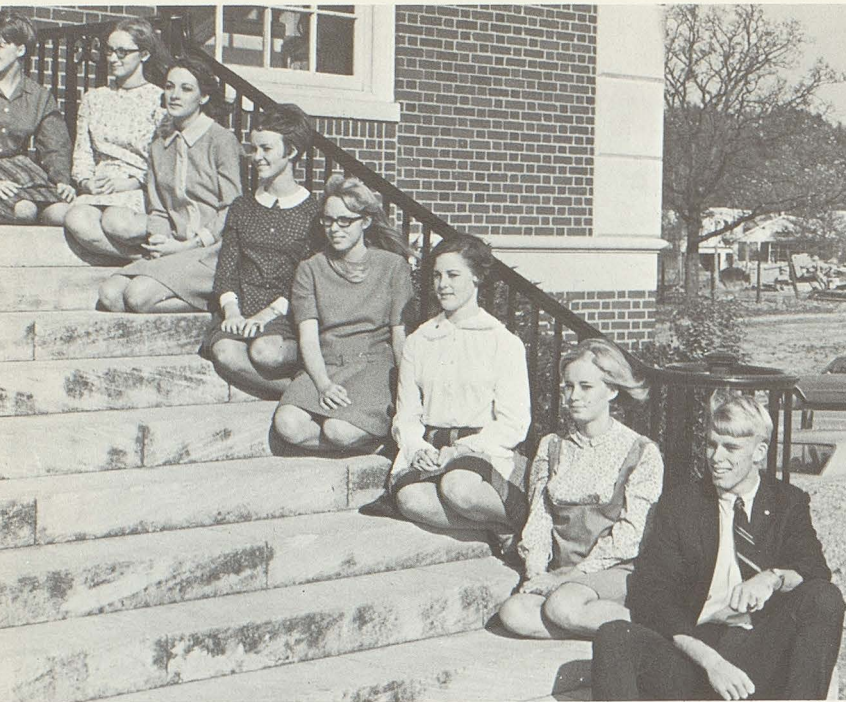

Roman history, mythology, and culture are the main interests of the Latin Club. All students who are interested and who are taking Latin or have had at least two years of it may be members.

One of the main highlights of the club is the Saturnalia Banquet, in honor of the Roman god of the harvest. At the banquet all the members wear Roman costumes, recline at low tables to eat food with their fingers, see that the slaves (the first year students) work hard, and watch a Roman show.

The meetings are held monthly and range from style shows to Roman skits. The Latin Club also observes Latin Week each year.

This year the members of the club traveled to New Orleans for the annual Latin Convention.

The club is sponsored by Mrs. Miriam Hickcox.

French Club

For the interested students at Fair Park who are taking French or have had two years of the subject, there is the French Club. To gain a broader knowledge of the French language and to learn more about the traditions and customs of the French people are the main purposes of this organization.

Programs are held monthly featuring guest speakers, films, and skits depicting French life.

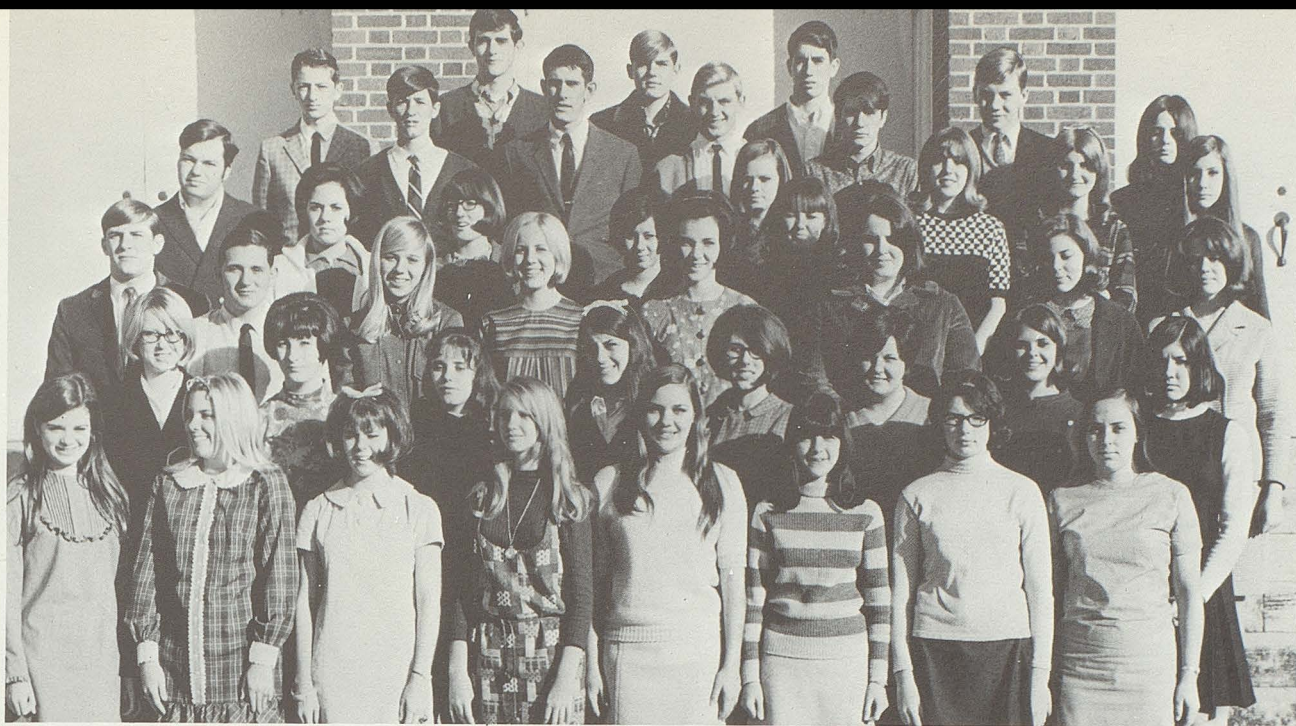

The climax of the year is French Week which is observed every spring to acquaint other students with French. During this week the members donned berets, hung posters, and made a display for the cafeteria.

Miss Gale Rogge and Miss Margaret Colon sponsor the French Club.

Spanish Club

To increase the knowledge of customs, habits, and culture of the Spanish-speaking people is the purpose of the Spanish Club. The members of this club are also aided in their knowledge of the language itself.

During the year the Spanish Club participated in many worthwhile projects. The club collected food, toys, and a tree and took them to a needy family to help them have a more enjoyable Christmas. They also made stuffed animals, games, and dolls and sent them to a mission in Mexico.

Under the direction of Mrs. Baker, the Spanish Club observed Spanish Week in the spring. They decorated the cafeteria and made posters to share their knowledge of Spanish customs with other students in the school.

Interact Club

In the fall of 1966 the Fair Park Interact Club was organized under the direction of Mr. Reggie Reynolds. Sponsored by the Rotarians, the Interact Club has grown to a membership of twenty-five with five sponsors. The members are chosen on the basis of their scholarship, character, leadership abilities, and willingness to participate in extracurricular activities.

Some of the services the Interact Club performed during the year were carrying books for the teachers, ushering for speech plays, selling "Beat Byrd" stickers, and helping with the March of Dimes and Cancer Drives. The Interact Club is also responsible for the presentation of the Sportsmanship Trophy.

"Z" Club

"Growth through Service" is the motto which each of the forty members of the Fair Park "Z" Club strives to accomplish. Under the direction of Miss Jean Hiers and sponsored by the Zonta Club, the "Z" Club took part in many projects this year on the school, community, national, and international levels.

Among these projects were the support of a young Indian orphan, ushering, entertaining at the Shriners' Hospital, working for the March of Dimes, Cancer Drive, and various other city drives, giving programs at old folks' homes, and helping with the Zonta Antique Show.

Various money-making projects were also undertaken this year, such as the sale of super spirit emblems and bunny bags.

The Fair Park "Z" Club also won the International Award for the best community projects, an accomplishment of which all the members are extremely proud.

Debate Club

For the students of Fair Park interested in debate and public speaking, there is the Debate Club headed by Mr. Bernard Slimer.

The Debate Club, consisting of seven teams, holds debates at Fair Park and also participates in competition. This year they attended tournaments at Woodlawn, Natchitoches, Lafayette, Louisiana Tech, Northeast, Baylor, Centenary, and they also attended the Tournament of Champions. Although awards were not won at each of these contests, the Debate Club members did receive much valuable experience and knowledge.

In addition to debating, the members may work individually in the areas of poetry, dramatic interpretation, and extemporaneous speaking.

Art Club

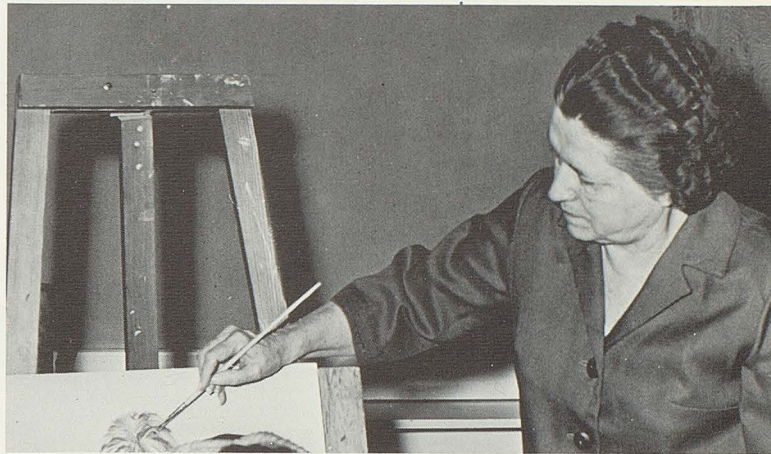

Service can be fun, especially when you are doing something you enjoy. This is true for the Art Club, an extracurricular club open to all students with an interest and ability in the field of art.

Making scenery for Mardi Gras and speech plays and making posters for school activities are some of the services rendered to Fair Park by the Art Club this year. Besides services, the Art Club has enjoyed guest speakers and field trips this year.

The club is sponsored by Mrs. Grace Gray.

Future Teachers of America

The Future Teachers of America is a service organization which is an invaluable aid to teachers in many ways. Members gain knowledge of the educational fields and also gain experience which will help them in the future.

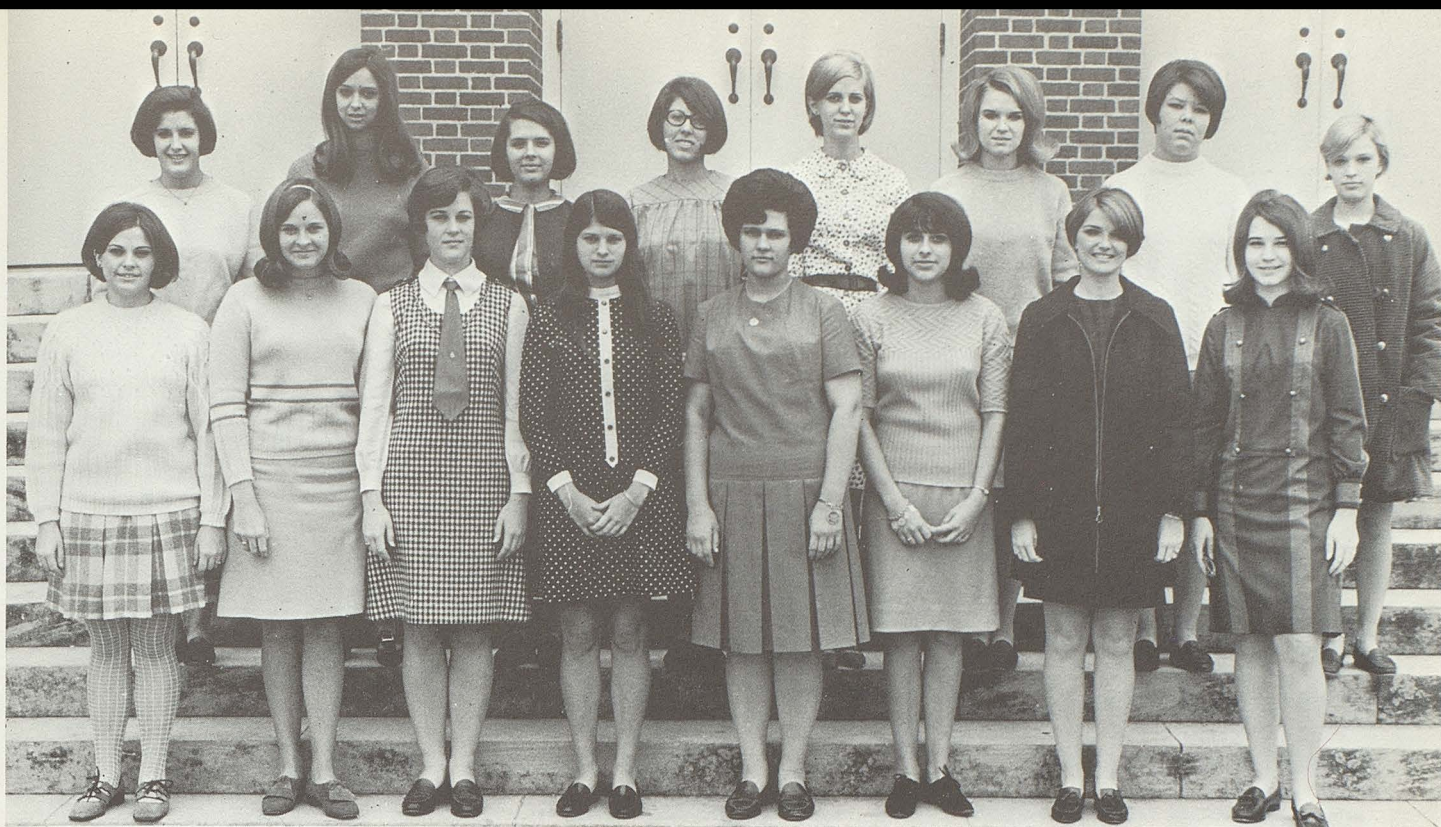

At the end of the school year invitations are received for membership. The members must be either a junior or senior, recommended by a teacher, and must maintain a "C" average. Often at the meetings teachers majoring in different fields talk to the members.

This year the Fair Park Future Teachers sponsored Teacher Appreciation Week, made a Christmas Basket for a needy family, helped teachers grade papers, worked in the office, and sold candy to raise funds.

The club is sponsored by Miss Margaret Colon.

Future Business Leaders of America

The Future Business Leaders of America Club is open to all students majoring in business and who have been recommended by a business teacher.

The main objective of this club is to educate the American youth in the various opportunities of the business world.

This year the Future Business Leaders took over the management of the school store. The members work in the store during their study hall periods and before school.

This year Fair Park's Future Business Leaders had State and District convention projects, took field trips to various business establishments, and made a detailed study of data processing.

C.O.E.

Cooperative Office Education is a program designed to bridge the gap between classroom theory and actual job performance. The student attends school in the mornings and spends the afternoons in an office gaining work experience.

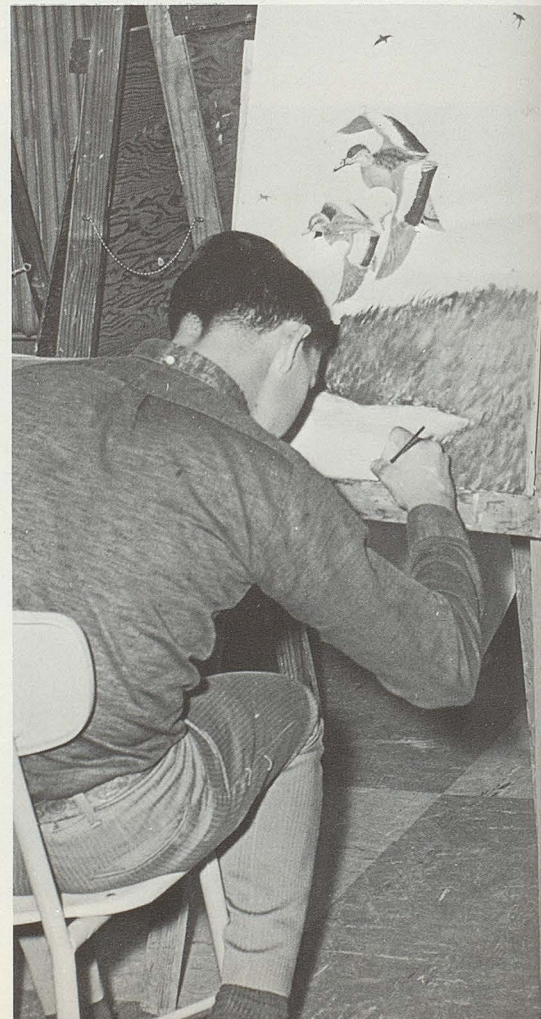

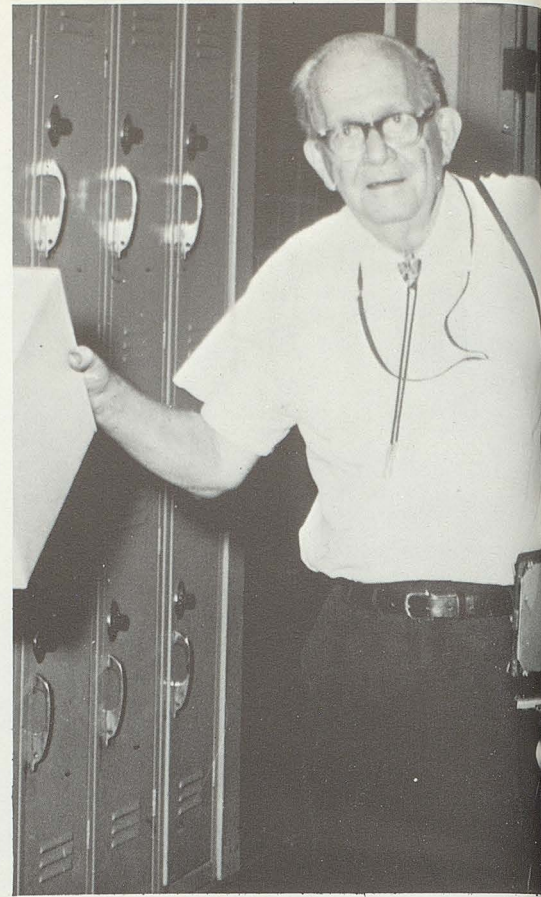

The program is restricted to seniors at least 16 years of age who have had one year of typewriting and one year of shorthand and/or bookkeeping. Students must have maintained a satisfactory scholastic record.

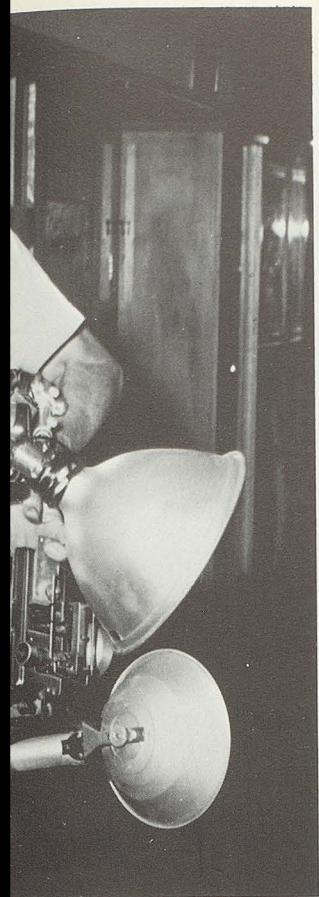

To make available to the students' immediate practical application of the theory learned in school to an office situation, gradual transition from school to work while under professional guidance and experienced supervision, discovery of weak points with adjustments and corrections provided by coordinator, realization of the need for improved skills and techniques and the importance of education in the business world, and opportunity to earn money for continuing education, are the main objectives of this organization.

Football '68

Things looked pretty glum on the reservation at the beginning of the football season. Only four returning lettermen were included in Fair Park's varsity squad. Everyone tabbed this a rebuilding year for the Indians, and at the start of the season it looked as if this prediction was correct. However, the team jelled and became one of the fiercest competitors in the league, completing the season with a very commendable 8-3 record. Praise should be distributed among the players, who, through their willingness to work and desire to win, was the reason for the success of the team. The coaches should also be recognized for their faith in the boys and their encouragement which gave the team an incentive to win.

Fair Park 7 — Airline 18

Fair Park's first football game of the 1967 season was against Airline of Bossier City. The first district outing of the Indians was unsuccessful as the Vikings turned back the Tribe 18-7. Fair Park's lone score came when quarterback James Cottrell collaborated with halfback Wayne Haney for a 30-yard touchdown pass. Halfback Greg Bickham was the leading rusher for the Tribe with 45 yards. Following this victory, Airline went on to become state AAA champions.

Fair Park 13 — Woodlawn 12

Fair Park, coming alive in the fourth quarter, rallied behind the quarterbacking of southpaw Richard Cain to edge Woodlawn 13-12, and end the Knight's six year winning streak. Chuck Duncan, the Indian's fullback accounted for all of the Tribe's scoring on runs of 1 and 5 yards for the two touchdown scores and also was called upon to score the tie-breaking extra point with less than two minutes left in the game.

Fair Park 6 — Neville 23

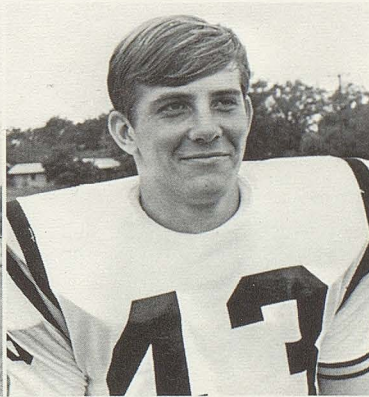

The Indians' second defeat came at the hands of the Neville Tigers, 23-6. Nothing seemed to go right for the Tribe that night as the Tigers seemed able to score at will. Wayne Haney was Fair Park's leading rusher with 64 yards and scored the lone touchdown for the Indians on a 21-yard gallop. The Tribes' defense just could not seem to hold the elusive Neville offense while Fair Park could never put together a substantial drive.

Fair Park 13 — Ruston 21

Once again the Fair Park Indians fell short, this time going down to Ruston before the Indian homecoming crowd. Wayne Haney again shone for the Tribe by leading them with 45 yards rushing and catching 5 passes for 110 yards. It was not enough, however, as Ruston dominated the entire game with only a few threats from the fighting Indians.

Fair Park 14 — Marshall 7

The Indians, on the road for the first time this year, got back on the winning side by downing the Marshall Mavericks 14-7. The visiting Indians put together a 46-yard drive in the second quarter, with the primary play being a 34-yard scoring pass play from Cain to Haney. The second score came on a 1-yard run by Cain in the third quarter. Haney was the leading rusher with 65 yards.

Fair Park 28 — Bastrop 14

Fair Park rolled up its highest rushing total of the year, 289, in stomping the Bastrop Rams 28-14. Haney, Cain, and Bickham were responsible for the Tribe's scores; while the Indian defense, led by safety James Cottrell who intercepted 3 Ram passes, seemed to have little trouble containing the home team.

Fair Park 21 — Ouachita 7

The visiting Indians overcame a 7-7 halftime deadlock by scoring 2 touchdowns and licking the Ouachita Lions 21-7. The first score came with 40 seconds left in the first half with Cain throwing a touchdown pass to Haney. Again early in the third quarter the Cain and Haney combination clicked for a 20-yard touchdown. Chuck Duncan went over from the 3-yard line in the fourth quarter for the Tribe's final score.

Fair Park 14 — Bossier 7

Fair Park continued their rampage in upsetting the Bossier Bearcats 14-6. The offense of the Indians could not be stopped as Wayne Haney led all rushers with 103 yards. Greg Bickham provided the necessary punch when first downs were needed. The defense, led by Winston Ebarb and Woody Schick, proved impassable as Bossier could muster only one scoring drive. Fair Park scored on a 5-yard run by Bickham and a touchdown pass from Cain to end Bill Pratt.

Fair Park 33 — Captain Shreve 7

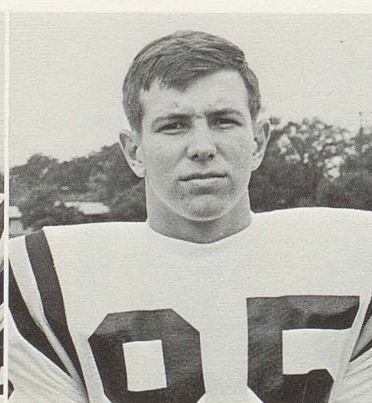

Once again Fair Park won, this time defeating the Gators of Captain Shreve. This victory made it the fifth in a row for the Tribe. The Gators held their own against the Reservation the first half with the score tied 7 all. However, the second half was dominated completely by the Indians. Sparked by Cain, Bickham, and Haney, the Tribe's offense rolled to a 33-7 victory while the defense tightened up and held the Gators scoreless.

Fair Park 33 — West Monroe 14

The West Monroe Rebels became the sixth straight victim for the Indians as the Tribe again was on top of the 33-14 score. This was an all-around team effort, with everyone playing an equally good game. The offensive line cleared openings for the backs all night long while the defensive line kept the Rebels running in check. This victory set the stage for the annual Fair Park-Byrd game.

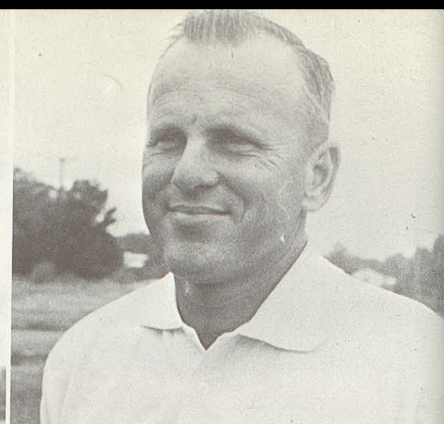

Fair Park 14 — Byrd 7

Many have labeled the Fair Park-Byrd football game as the "game of the year" and the reason why is very understandable. Fair Park struck first scoring a touchdown in the second period. Things stayed that way until Byrd scored, tying 7-7 in the fourth quarter. After being stopped 7 yards short of another score, the Indians scored with less than 15 seconds remaining on the clock. It was certainly a joyous way to cap off a very successful season.

Basketball '68

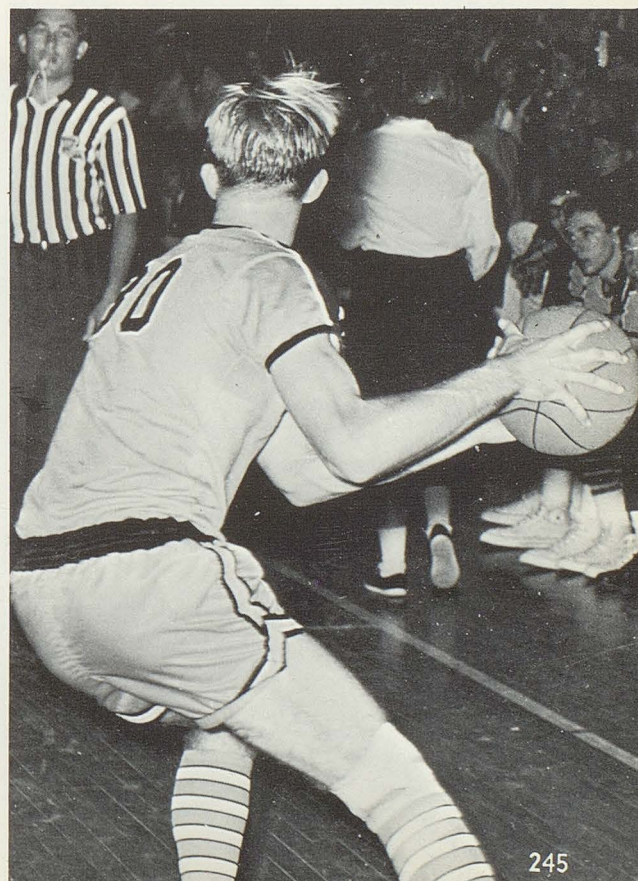

Fair Park's Varsity Basketball Team was a very surprising group of boys. With only two returning lettermen Coach Daigle managed to mold together a quintet that displayed a strong brand of basketball. The boys faced the possibility of letting the more experienced teams take advantage of their inexperience. However, the Indian squad worked hard the entire season and in the end reaped some fine results. This was the best year for Coach Daigle because under his guidance and coaching the team rolled to a 19 and 9 record. The squad should be recognized for their inspirational attitude with their hustling spirit. Fair Park should be very proud of the '68 basketball team.

'67

The Fair Park baseball team under the guidance of Coach James Farrar had a very successful season. Not only did the team play credibly the entire season, but they did so with a host of juniors who are back again this year. The Indians had the never-give-up attitude instilled into them by Coach Farrar, who should be commended highly for his terrific coaching ability displayed throughout his years at Fair Park. Praise should also be handed down to the players themselves because they had the desire to work hard and the ambition to want to improve, two qualities essential for a winning team.

Track '67

The Indian Track Squad of '67 was the most successful team in recent years. The team worked very diligently throughout the season and garnered many first-place awards. Coach Steve Jordan made sure his boys were in top physical shape and through his instruction the boys learned to use their abilities to their fullest. As a result the boys won various honors, bringing pride and prestige to Fair Park for having an exceptional track team.

Tennis '67

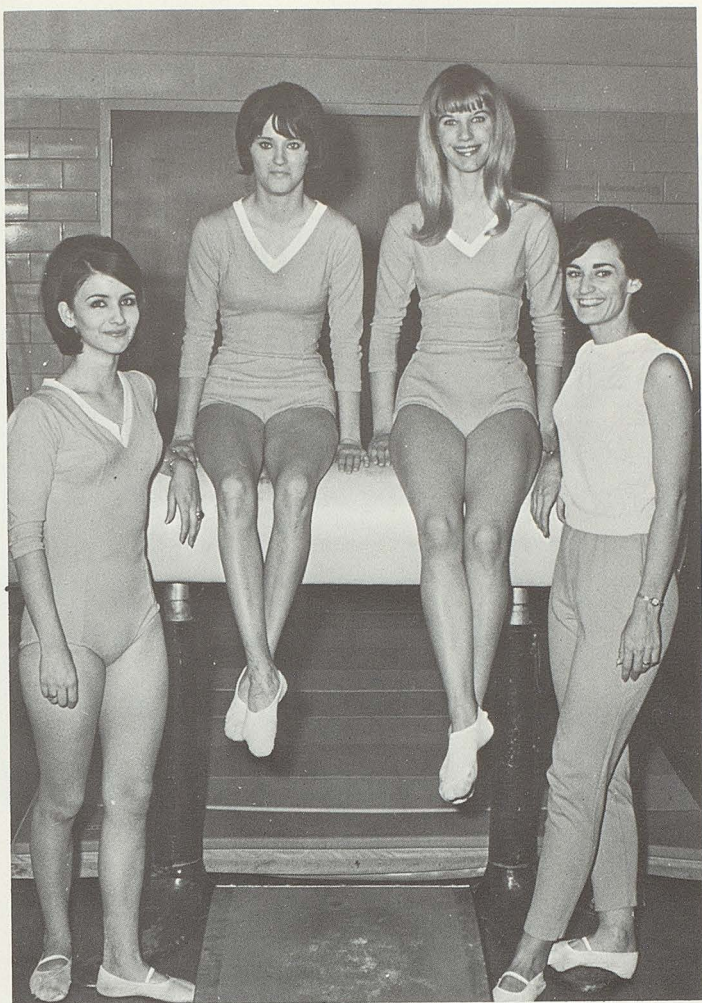

Coach Daigle

The 1967 Tennis team displayed not only talent, but excellent sportsmanship while on the playing court. The team fared very well through the season and represented Fair Park in the district meet at Ruston in fine fashion. The team practiced hard throughout the season and under the guidance of Coach Daigle the team made tremendous improvements.

Gymnastics '68

The Gymnastic team consists of many talented young girls who perform various acrobatic feats. The girls work very diligently in perfecting their skills. This takes much time and concentration. Under the supervision of Mrs. Millie Mason, the girls have progressed very much in the art of gymnastics. Fair Park should be very proud of the Gymnastic team.

Interact Sportsmanship Award

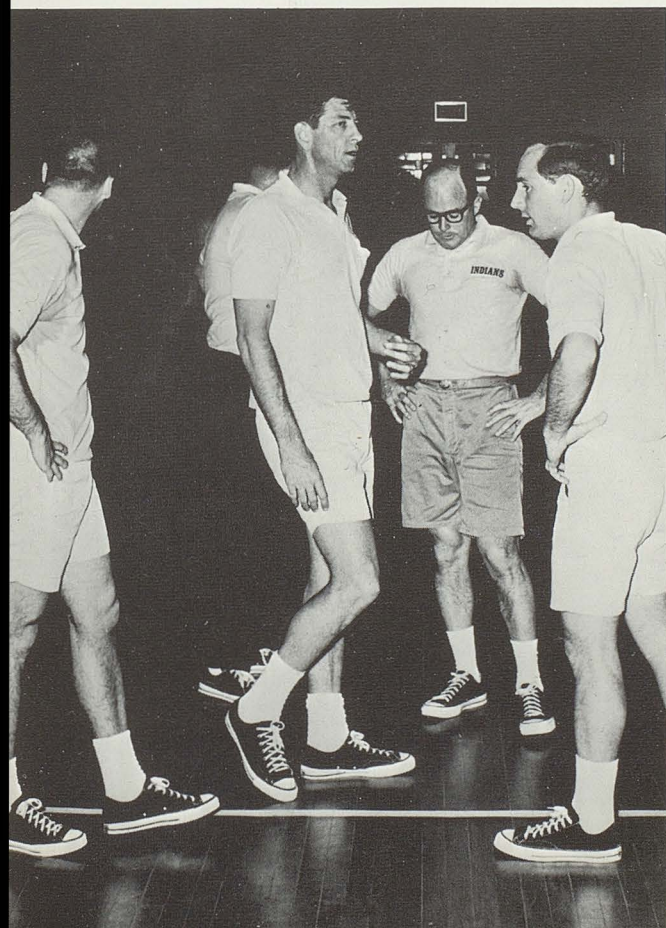

The Interact Sportsmanship of the year award goes to a baseball player, Steve McDonald. The purpose of this award is to recognize the most consistent sportsmanship of a varsity athlete. In winning this award, Steve proved that he was capable of displaying an excellent attitude in practice and in games. This award is only in its second year, but there are hopes that future athletes will follow in Steve McDonald's footsteps and strive to conduct himself in a manner that may befit Fair Park High School.

Cheerleaders

Big Indian ...
Ernie Roberson

One group that stands out among all the rest is the cheerleaders because of their ability to arouse Fair Park Spirit. Sponsored by Miss Laura Hixson, the cheerleaders perform many hours of hard work such as decorating the goal posts for all the home games, the gym for basketball games, making posters, and planning pep rallies.

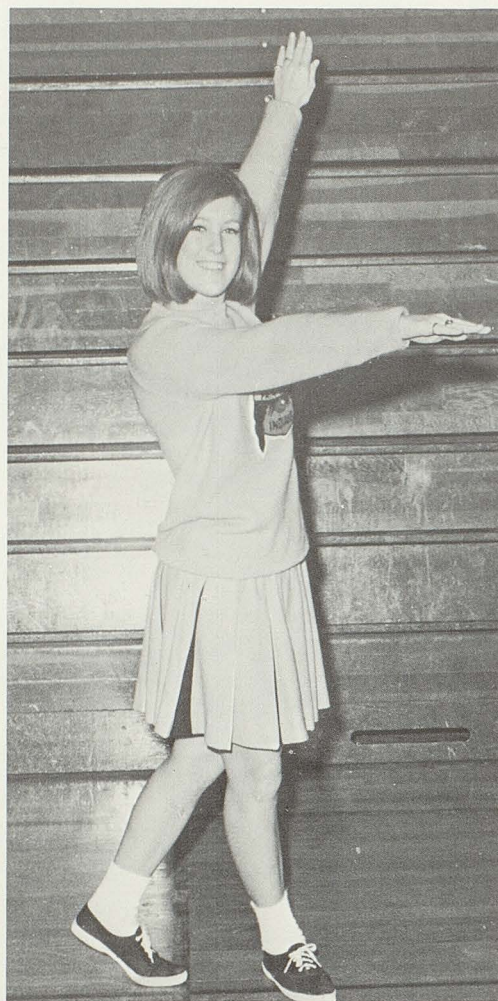

Many of the enjoyable summer days were spent practicing for SMU cheerleader school which was held in August. The cheerleaders brought home eleven first place ribbons and the spirit stick.

The Big Indian, Ernie Roberson, was chosen by the cheerleaders and a faculty group during spring tryouts. He has aided the cheerleaders in pep rally skits and decorating for games.

Arrowettes '68

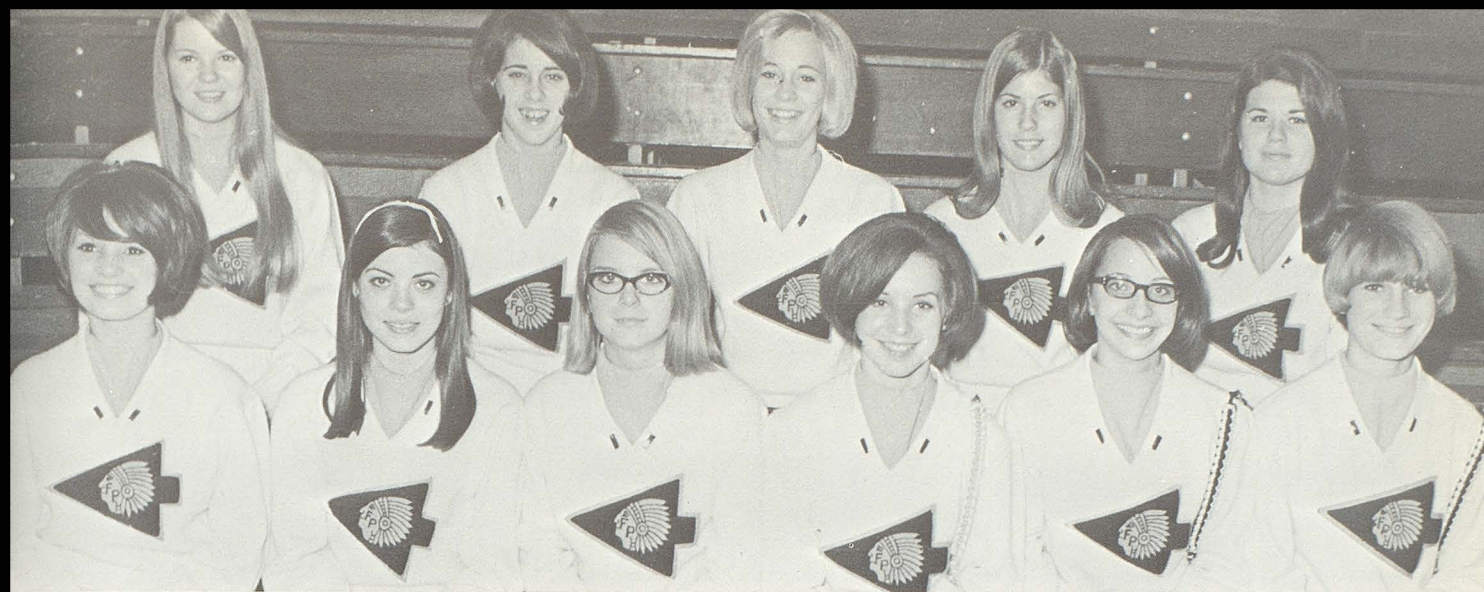

One of Fair Park's most readily recognized groups, the Arrowettes, is composed of 192 girls from the sophomore, junior, and senior classes. To remain an Arrowette, these girls must maintain an overall "C" average. Membership in the Arrowettes is one of the qualifications a girl must have in order to run for cheerleader. Sponsoring these girls this year are Mrs. Emma Loyce Smelley and Miss Pat Fox.

The activities of the Arrowettes include selling candy and sponsoring the annual Mardi Gras. The proceeds from these activities go toward the spring trip that the Arrowettes take each year.

The pep squad begins practicing one month before school begins to perfect formations so that they can provide half-time entertainment at the football games. They also build enthusiasm at the basketball games with snappy hand routines and cheers. In addition, the Arrowettes march in the State Fair, Veteran's Day, and Holiday in Dixie parades each year.

Military

R.O.T.C.

Someone centuries ago began a regimentation that has developed into the rich and colorful heritage of Military Service. This has not always been a glamorous occupation. However, it is vital. Many students start preparing for and taking advantage of this service as a part of their high school curriculum.

R.O.T.C. training helps produce well-trained officers and good citizens. While taking R.O.T.C., one acquires qualities of loyalty, a sense of duty, and self discipline. He knows that if need be, he is ready for a national emergency.

Fair Park's Junior R.O.T.C. program is directed by SFC Royce Malone, Commandant of Cadets.

The Fair Park Rifle Team traveled out of state this year for competition in the Junior Sectional Military Scholastic Rifle Matches at Houston, Orange, and Center, Texas. In addition to this highly successful tour, the Rifle Team also placed well in the L.S.U. Baton Rouge Invitational Match in February.

City League competition found Fair Park emerging victoriously from matches with Byrd, Woodlawn, Northwood, Captain Shreve, and the Air Force Reserve.

This highly successful season concluded with the Fourth U.S. Army Invitational Match at Arlington, Texas, where Fair Park competed with teams representing five states in the Fourth U.S. Army area.

Drill Team

The Drill Team has been at Fair Park for many years. The Drill Team is known by many as the "Pride of the South."

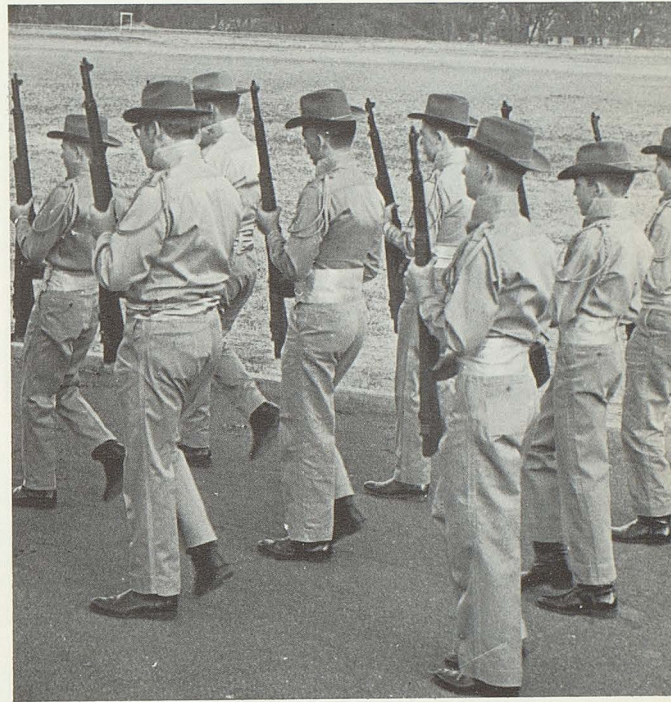

The Cadets put in much after school time toward precision drill and performance. Through the years, the Drill Team has become known throughout the South. The Drill Team marches a sixteen man block, and performs during Fair Parade and goes to several competition trips. The team is headed by Major Tom McCann and Captain Milard McInnis.

Editor's Message

This year has brought many changes at Fair Park High School and to capture these changes has been the goal of the 1968 SEQUOYAH Staff. This job has taken hard work and time of **each member**. I can convey only thankfulness for their cooperation and capability of comprehending and judging for themselves.

Others must be mentioned for taking their **valuable time** and expressing understanding toward the staff. First, an **entire book** could not express my feelings and thankfulness for having such a wonderful faculty sponsor as Mrs. Judy Reynolds. Much time and energy was saved with the assistance of Mr. Milburne Alfred, photographer, and Mr. James Cobb, the representative from Taylor Publishing Company. I am indeed grateful to these two men. Mr. Brantly helped us by getting us into the school over the holidays and by just being able to call upon him at any time. Miss Pat Fox, Mrs. Gay Watson and Mrs. Edwena Ayers were willing to help proofread copy during the deadlines. I appreciate the cooperation of the faculty members in excusing the staff members during a deadline.

The aid of these mentioned and many more have made this 1968 SEQUOYAH a memorable one.

May this SEQUOYAH preserve your enjoyable memories of Fair Park High School.
